Appendix A

Treasury Management Prudential Indicators

1 Capital Expenditure:

The 2011/12 actual capital expenditure and revised estimates of capital expenditure for the current and future years that are recommended for approval are:

	2011/12 Actual £000's	Estimate	Estimate	Estimate	Estimate
General Fund	4,661	6,437	3,054	3,831	3,516
HRA	13,281	17,403	19,614	25,143	16,955
Total	17,942	23,840	22,668	28,974	20,471

2 Ratio of financing costs to net revenue stream:

	2011/12 Actual %			Estimate	
Financing costs re					
General Fund Capital Exp	0.00%	0.47%	4.33%	4.96%	5.57%
HRA Capital Exp	0.00%	19.13%	18.20%	17.33%	16.55%

General Fund: Net revenue stream is the RSG, NNDR grant and Council Tax raised for the year. Interest received exceeded interest paid.

HRA: The net revenue stream is the income from received rents and service charges. The ratio of financing costs to net revenue stream reflects the high level of debt as a result of supported borrowing.

3 Net Borrowing requirement

	2011/12	2012/13	2013/14	2014/15	2015/16
	Actual	Estimate	Estimate	Estimate	Estimate
	£000's	£000's	£000's	£000's	£000's
Brought forward 1 April	1,014	205,355	213,255	215,255	217,255
Borrowing - HRA	216,915	217,655	217,655	217,655	217,655
Borrowing - General Fund	0	5,600	7,600	9,600	11,600
Investments	(11,560)	(10,000)	(10,000)	-10,000	-10,000
Carried forward 31 March	205,355	213,255	215,255	217,255	207,655
In year borrowing requirement	199,911	6,340	2,000	2,000	2,000

The net borrowing requirement is defined as borrowing less investments. The net borrowing requirement may not, except in the short term, exceed the total capital financing requirement in the preceding year, plus the estimates of any additional financing

4 Capital Financing Requirement

	2011/12 Actual £000's	Estimate	Estimate	Estimate	
Capital Financing Requirement GF	6,992	10,684	13,689	15,347	16,925
Capital Financing Requirement HRA	217,655	217,655	217,655	217,655	217,655
Total Capital Financing Requirement	224,647	228,339	231,344	233,002	234,580

The Capital Financing Requirement (CFR) reflects the amount of money the Council would need to borrow to fund it's capital programme. This is split between the Housing Revenue Account CFR (HRACFR) and the General Fund CFR (GFCFR).

5 Incremental Impact on Capital Investment Decisions

	2011/12	2012/13	2013/14	2014/15	2015/16
	£	£	£	£	£
Increase in Council Tax (band D)	0.00	3.62	19.67	26.21	33.04
Increase in average housing rent per week	0.00	0.00	0.00	0.00	0.00

General Fund -This is an indicator of the affordability of the capital programme and its effect on the Council Tax. This indicator shows the expected costs including the updated Capital Strategy being reported to February 2012 Audit Committee.

HRA -This is an indicator of the affordability of the capital programme and its effect on the rent payer. As all borrowing is supported this is nil for 2011/12. From 2012/13 under self financing, the cost of borrowing, in terms of interest cost, and any provision for the future reduction in debt liability, is covered by no longer making contributions to CLG in the form of negative subsidy payments. It is therefore assumed that the impact on rents will be neutral.

6 Authorised Limit for external debt

	2011/12 Actual £000's	Estimate	Estimate	Estimate	Estimate
Borrowing - HRA	217,685	217,685	217,685	217,685	217,685
Borrowing - General Fund	7,800	10,600	12,600	14,600	16,600
Other long term liabilities	0	0	0	0	0
Total	225,485	228,285	230,285	232,285	234,285

The authorised limit in that it is the level up to which the Council may borrow without getting further approval from Council. The Council may need to borrow short term for cash flow purposes, exceeding the operational boundary. The authorised limit allows for £5m headroom, which is in addition to our capital plans.

7 Operational Boundary for external debt

	2011/12 Actual £000's	Estimate	Estimate	Estimate	Estimate
Borrowing - HRA	217,685	217,685	217,685	217,685	217,685
Borrowing - General Fund	2,800	5,600	7,600	9,600	11,600
Other long term liabilities	0	0	0	0	0
Total	220,485	223,285	225,285	227,285	229,285

The operational boundary differs from the authorised limit in that it is the level up to which the Council expects to have to borrow. The Council may need to borrow short term for cash flow purposes, exceeding the operational boundary. The authorised limit allows for £5m headroom.

8 Upper limit for fixed interest rate exposure

This is defined as net principal re fixed rate borrowing less fixed rate investments

	2011/12 Actual £000's	Estimate	Estimate	Estimate	
Fixed Rate Borrowing - HRA	217,685	217,685	217,685	217,685	217,685
Fixed Rate Borrowing - General fund	2,800	5,600	7,600	9,600	11,600
Fixed Rate Investments	(10,000)	(10,000)	(10,000)	(10,000)	(10,000)
Net Fixed Rate Borrowing	210,485	213,285	215,285	217,285	219,285

Please note that the Net Exposure is not itself a limit. As borrowing increases, the net will inevitably rise, by keeping a fixed investments constant. It is conceivable that we would have no fixed investments at a point in time, as part of cash flow management. It is therefore the separate Borrowing and Investment entries

9 Upper limit for variable interest rate exposure

This is defined as net principal re variable rate borrowing less variable rate investments

	2011/12 Actual £000's	2012/13 Estimate £000's	Estimate		Estimate
Variable rate borrowing - HRA	200,681	200,681	200,681	200,681	200,681
Variable rate borrowing - General Fund	2,800	5,600	7,600	9,600	11,600
Variable rate investments	(11,560)	(25,000)	(25,000)	(25,000)	(25,000)
Net Variable Rate Borrowing	191,921	181,281	183,281	185,281	187,281

Positive figures show that borrowing exceeds investment levels. It is the individual borrowing and investment limit, not the net variable rate borrowing which requires approval.

10 Upper limit for total principal sums invested for over 364 days

	2011/12 Actual £000's	Estimate	Estimate	Estimate	Estimate
Sums invested for over 364 days	2,000	2,000	2,000	2,000	2,000
