Procedures of Applying the Criteria and Limits	
	Before the Treasury Team makes an investment, the Team will follow the follow procedure to ensure full compliance with the Specified and Non-Specified Criteria and Treasury Limits:
1	Check that the Counterparty is on the Counterparty List (also known as Current Counterparty Report for Stevenage) produced by Capita, specifically meeting the Council's Specified and Non-specified Minimum High Credit Quality Criteria in the above Table 1 & 2. If it is not on the list, the Treasury Team will not invest with them.
2	If the Counterparty is on the list, then the Treasury Team refers to the Credit List produced by Capita in colour coding, to determine the maximum investment duration suggested for the deposit, as per the column of Suggested Duration (CDS Adjusted with manual override).
3	Refer to the Treasury Limits in the above Table 3 to ensure the amount invested complies with the Treasury Limits.
