Our outcomes

<p>Build 300 new council homes by 2020/2021. Increase the number of homes in the town.</p>	<p>Develop a new vibrant town centre with quality shopping, office and leisure facilities. Build new homes in the town centre. Create a hub for public services in the town centre. Make Stevenage a destination of choice.</p>	<p>Increase customer satisfaction with council services. Make our services available online. Provide excellent customer service.</p>	<p>Better understand our communities' needs and priorities. Invest in and improve our neighbourhoods. Work with our residents to design and deliver services.</p>	<p>Work with our tenants to improve the quality of our council homes. Develop a better housing service for older people. Provide a high quality council housing repairs service.</p>
