Partition against Pear Tree Pubic House Licence Application (Extended Opening Hours)

We the under mentioned residence of Valley Way are objecting to their application for an extension of opening hours as being unsociable to local residence.

We wish to retain the peace and quite enjoyed for the past nine months. This was gained by an accident of law by the withdrawal of then applicant.

Remember the music nuisance, cars, taxi horns blasting away and Police involvement. Do want that back ? If allowed you will be blessed with extend hours until 02.03 on Saturday and Sunday in addition to the extra hour each day.

Add your name, house number for an emphatic NO to the granting of this licence.
