The Committee was advised about the additional funding obtained by the Service and the successful partnership working undertaken including with North Herts District Council.

In response to a question about Silver Street Meets, officers agreed to provide upcoming dates to the Ward Councillor for St Nicholas.

Members sought clarification on the 2018/19 crime/ASB figures referred to in the report. Officers advised that as a result of the introduction of a new software system and a change in how data was reported there had been problems in receiving the information. Officers agreed to check the figures after the meeting and advise Members of any differences. They did advise, however, that the priorities were based on the priorities of the police, officers and members rather than the data received.

The Portfolio Holder for Communities, Community Safety and Equalities advised that she would raise the issue at the next police and Crime Panel meeting.

Officers advised the Committee of the efforts made by the Service to tackle anti-social behaviour and homelessness including the issue of using communal areas in tower blocks for rough sleeping and also the support and engagement with the known homeless people around the Town.

The Committee then watched a video showing aspects of the work of the Community Safety Team.

The Chair thanked the Community Safety Officer and her Team for their work and commitment in all aspects of the Service.

It was **RESOLVED**:

	<ol style="list-style-type: none"> 1. That the report is noted; 2. That the Community Safety Manager provides details about the crime statistics referred to in the report; 3. That the Community Safety Team be thanked for their hard work and congratulated on their achievements.
