LEADER OF THE COUNCIL'S UPDATE

The Leader of the Opposition, Councillor Phil Bibby, asked the following question:

“What communication and/or promotion has taken place to encourage more take up of the Temporary Pavement Licences that were introduced to streamline applications by businesses to place temporary furniture, such as tables and chairs outside of cafes, bars and restaurants?”

The Leader of the Council confirmed that one business had formally applied for the licence. However, the Council was working with hospitality outlets to assess their requirements. A number of hospitality operators were waiting for details of the three-tier lockdown system before deciding whether or not to apply for the Temporary Pavement Licence. Councillor Taylor stated that the Council was waiting for a number of applications to be submitted so as to allocate the licences fairly.

The Leader informed Council that parts of Stevenage High Street had been cordoned off primarily to allow pedestrians to move safely while social distancing. She noted that weather had a bearing on outdoor seating arrangements.

Councillor Taylor asked Assistant Director (Planning & Regulation) to provide a written answer on arrangements for managing Temporary Pavement Licences in Stevenage High Streets.

The Leader of the Council went on to congratulate Stevenage-born Formula One (F1) driver, Lewis Hamilton, for equalling Michael Schumacher’s all-time record for career F1 victories (91) by winning the Eifel Grand Prix. Councillor Taylor informed

Council that Councillors Rob Broom, John Gardner and Jeannette Thomas had been shortlisted for 2020 LGIU and CCLA Councillor Awards. In her Covid-19 update, the Leader informed Council that Stevenage continued to have the lowest number of cases in Hertfordshire. Stevenage was in Tier 1 (Medium Risk) of the new three tier system. Councillor Taylor also provided updates on future governance of the Herts Growth Board and transformation of the Stevenage Indoor Market.

10	<p>NOTICE OF MOTIONS</p>
	<p>Councillor Sharon Taylor moved and Councillor Sandra Barr seconded a motion in respect of Local Government Reorganisation. Following debate and upon being put to the vote, it was RESOLVED that:</p> <p>"This council strongly rejects the proposal from Hertfordshire County Council to create a single unitary council for the 1.2 million people living in Hertfordshire.</p> <p>We reject the proposal to create what would become the biggest council in the country because it would:</p> <ol style="list-style-type: none"> 1. greatly reduce the democratic input of Stevenage people to decision-making and impact upon their ability to hold those taking decisions on their behalf to account and; 2. almost certainly result in the reduction or cessation of important discretionary services that are relied upon by our

businesses and residents, especially those who are isolated and/or vulnerable.

We believe the government's intention to commence a structural reorganisation of local government in the middle of the Covid Pandemic is ill-timed and will unnecessarily divert attention and resources . We should be focussed on recovery not reorganisation.

Council urges government to publish its green paper on social care before the white paper on local government reorganisation as the future structure of social care has a fundamental impact on the structure of local government.

Council supports the work of Hertfordshire Districts & Boroughs to explore and assess alternative options to the County Council's proposal to form a single Hertfordshire Unitary Council and agrees that proper engagement should take place with Hertfordshire people.

Council agrees to:

Write to the Leader of the County Council setting out our objections to his proposal.

Ask that the Leader of the County Council sets out what commitment there would be to ensure that the people of Stevenage would be given equal opportunities in respect of employment, funding, business initiatives, Council housing investment, leisure facilities, arts facilities and sporting facilities and health initiatives.

Write to the Secretary of State for Housing Communities and Local Government to demand that the publication of the Recovery and Devolution White Paper is delayed until after the next General Election by which time the social care green paper will have been published and implemented and the local and national recovery from the Covid crisis will hopefully be well under way.

Continue to support the work of Hertfordshire District & Borough Leaders to explore alternative local government structural options in the event that the Recovery & Devolution White Paper confirms the Government's intention to commence the structural reform of local government

Ensure that the views of Hertfordshire people be sought and taken into account when developing any alternative local

	<p>Government structural options for Hertfordshire.</p> <p>Communicate the potential impact of a Single Unitary Council for Hertfordshire on Stevenage to the people of the town.”</p>	
<p>11</p>	<p>QUESTIONS FROM MEMBERS TO COMMITTEE CHAIRS/PORTFOLIO HOLDERS</p>	
	<p>The Council received three questions from the Members to Committee Chairs/Portfolio Holders. The responses to the three questions had been published in the supplementary agenda for the meeting.</p> <p>(A) Question from Councillor Graham Lawrence</p> <p>Supplementary question - “Can we use some of the communication resources to keep people more informed about some of the major projects that are going on within Stevenage?”</p> <p>In response to the supplementary question, the Leader of the Council stated that she spent a lot of time giving information to regional and local radio. She emphasised the importance of exercising caution with regards to enquiries relating to planning applications and maintaining the independence of the Planning and Development Committee. With regards to the Kenilworth development, Councillor Taylor informed Council that utilities, tree and engineering work had commenced on site.</p> <p>(B) Question from Councillor Doug Bainbridge</p> <p>Councillor Bainbridge did not ask a supplementary question.</p> <p>(C) Question from Councillor Alex Farquharson</p> <p>Supplementary question - “Did the Council change its position regarding authorisation of Broadwater Day 2020 and if not, would the Council go ahead with potential sanctions?”</p>	

	<p>The Portfolio Holder for Neighbourhoods and Co-operative Working replied that the Council had complied with Hertfordshire Director of Public Health's decision to allow the event to go ahead. However, SBC did not formally support the event. The Council's decision was consistent with its position on holding public events during the pandemic.
