Subject: [External] Consultation on the revised Statement of Principals for Gambling

Hi,

I would like to submit a response for the consultation on behalf of POhWER.

- B3.11 The LCCP say that licensees must make an annual financial contribution to one or more organisation(s) which between them research into the prevention and treatment of gambling related harm, develop harm prevention approaches and identify and fund treatment to those harmed by gambling. **Are charities required or exempt?**
- B3.2 Section 45 of the Act provides the definition for child and young person:
Meaning of “child” and “young person”
 - 1) In this Act “child” means an individual who is less than 16 years old.
 - 2) In this Act “young person” means an individual who is not a child but who is less than 18 years old.**Do we have to specify age in our promotions? How do we monitor?**
- **Is there any further guidance regarding charity prize gaming and small society lotteries?**

Thank you,

Kind regards,

Benjamin Baxter
