The Performance and Improvement Manager presented a report to advise Members on the content of the Council's Annual Governance Statement for 2010/11 following the review of the effectiveness of the

Council's system of internal control and highlighted a number of minor detail changes to the statement.

The Committee was advised that changes to the Council's Scrutiny and Overview structure would be detailed in the Annual Governance Statement for 2011/12.

In reply to a question the Committee was advised that the Corporate Governance Group would ensure that issues raised at the Audit Committee would be effectively monitored.

In reply to a further question the Committee was advised that the format of the Council's Annual Governance Statement was consistent with that used by other local authorities in Hertfordshire.

It was **RESOLVED** that the Annual Governance Statement 2010/2011, as attached to the report at appendix One, be recommended for approval by Council.

4. GRANT THORNTON 2011/2012 FEE LETTER

Phil Westerman of the Council's Auditors, Grant Thornton, presented a report to summarise the proposed work for 2011/12 and the associated indicative fee.

Members were reminded that there had been a debate concerning the level of the fee at the March meeting and that the issues raised at that meeting had been factored into the fee for 2011/12.

In reply to a question the Committee was advised that the Council had a relatively low risk rating and Phil Westerman undertook to inform Members exactly where the Council was positioned on the overall risk scale and what actions could be undertaken by the Council to further reduce its risk rating.

It was **RESOLVED** that the report be noted.

5. SHARED INTERNAL AUDIT SERVICE (SIAS)

Helen Maneuf, Head of Assurance (SIAS), presented a report to introduce SIAS to the Audit Committee.

The Committee requested that subsequent reports be presented with the recommendations listed at the beginning of the report.

The Committee was advised that SIAS would continue to prepare the range of audit reports currently received but there might be some changes to the format and content as a standardised approach was developed. In reply to a question it was confirmed that the external auditor had been briefed on potential changes to reports.

In reply to a further question the Committee was advised that the team would be based in Robertson House in Stevenage but that individual team members would be allocated to areas where their expertise was most needed. However it was expected that there would be continuity of SIAS representation at district level.

It was **RESOLVED** that the report be noted.
