INTRODUCTION

These Regulations have been adopted by the Council and form an essential part of the control framework within which the Council operates. Each section includes general guidelines to staff on the practical application of the Regulations. Useful contacts are also included in each section of this document.

These Regulations are designed to ensure that financial decisions are taken in a considered and informed manner by assuring that consistent, high quality financial information is available to Members and Officers. In this way we can be confident that financial management ensures that the Council's objectives are met in an economical, effective and efficient way whilst still maintaining the highest levels of accountability.

The Regulations should be used in conjunction with Contract Standing Orders which document important rules concerning the conduct of council staff and the procedures they must follow. The general principals contained in the Regulations may be supplemented by detailed procedures specified by or agreed with the Strategic Director (Resources). Responsibility for approving and recommending changes to the financial control framework rests with the Strategic Director (Resources) who will be pleased to receive any comments on the operation of the Financial Regulations or Contract Standing Orders.

All staff are bound by these Regulations and will be affected by them to some degree depending on their duties. Training will be provided for those staff who are regularly involved in the application of Financial Regulations or Contract Standing Orders. The Shared Internal Audit Service (SIAS) can provide ad-hoc guidance on specific areas of these documents.

Strategic Directors will be responsible for ensuring that appropriate officers/employees:

- (a.)** receive a full copy of these Regulations, where appropriate
- (b.)** Receive appropriate training in order that they understand and comply with the Regulations.

The Strategic Director (Resources) is the nominated Chief Finance Officer.

Every officer has a responsibility to read and be familiar with these Regulations.

Scott Crudgington
Strategic Director (Resources)

1. STATUS OF FINANCIAL REGULATIONS

- 1.1** Financial Regulations provide the framework for managing the Council's financial affairs. They apply to every Member and Officer of the Council and anyone acting on its behalf.
- 1.2** The Regulations identify the financial responsibilities of the **Full Council, Executive, Development and Scrutiny Committees** and Scrutiny Members, the Head of Paid Service, the Monitoring Officer, the Chief Finance Officer and other Officers.
- 1.3** All Members and staff have a general responsibility for taking reasonable action to provide for the security of the assets under their control, and for ensuring that the use of these resources is legal, is properly authorised, provides value for money and achieves best value.
- 1.4** The Strategic Director (Resources) is responsible for maintaining a continuous review of the Financial Regulations and submitting any additions or changes necessary to the **Full Council** for approval. The Strategic Director (Resources) is also responsible for reporting, where appropriate, breaches of the Financial Regulations to the Council and/or to the Executive Members.
- 1.5** The Authority's detailed financial procedures are contained in the relevant sections of these Financial Regulations.
- 1.6** Strategic Directors are responsible for ensuring that all staff in their Service Delivery Units are aware of the existence and content of the Authority's Financial Regulations and other internal regulatory documents and that they comply with them. They must also ensure that an adequate number of copies are available for reference within their departments. Copies are also available on the intranet under 'F – Staff Information'.
- 1.7** The Strategic Director (Resources) is responsible for issuing advice and guidance to underpin the Financial Regulations that Members, Officers and others acting on behalf of the Authority are required to follow.
- 1.8** Financial management covers all financial accountabilities in relation to the running of the authority, including the policy framework and budget.
- 1.9** **Head of Paid Service (and Chief Executive)**

The Head of Paid Service is responsible for the corporate and overall strategic management of the Council as a whole. He or she must report to and provide information for the **Executive**, the **Full Council**, the **Development and Scrutiny Committees** and Audit committee and other committees. He or she is responsible for establishing a framework for management direction, style and standards and for monitoring the performance of the organisation. The Head of Paid Service is also

responsible, together with the Monitoring Officer, for the system of record keeping in relation to all the **Full Council's** decisions (see below).

1.10 Monitoring Officer (Borough Solicitor)

- (a.) The Monitoring Officer is responsible for promoting and maintaining high standards of financial conduct and therefore provides support to the **Standards Committee**. The Monitoring Officer is also responsible for reporting any actual or potential breaches of the law or maladministration to the **Full Council** and/or to the **Executive**, and for ensuring that procedures for recording and reporting key decisions are operating effectively.
- (b.) The Monitoring Officer must ensure that **Executive** decisions and the reasons for them are made public. He or she must also ensure that Members are aware of decisions made by the **Executive** and of those made by Officers who have delegated executive responsibility.
- (c.) The Monitoring Officer is responsible for advising all Councillors and Officers about who has authority to take a particular decision.
- (d.) The Monitoring Officer is responsible for advising the **Executive** or **Full Council** about whether a decision is likely to be considered contrary or not wholly in accordance with the policy framework.
- (e.) The Monitoring Officer {together with the Strategic Director (Resources)} is responsible for advising the **Executive** or **Full Council** about whether a decision is likely to be considered contrary or not wholly in accordance with the budget.  - causing the total expenditure financed from Council Tax, grants and corporately held reserves to increase, or to increase by more than a specified amount.
- (f.) The Monitoring Officer is responsible for maintaining an up-to-date constitution.

(c.) Section 114 of the Local Government Finance Act 1988 requires the Strategic Director (Resources) to report to **Full Council, Executive** and the District Auditor if the Council or one of its Officers:

- Has made, or is about to make, a decision which involves incurring unlawful expenditure

2. BUDGET SETTING – CAPITAL

CONTACT: Head of Finance

- 2.1.** The detailed form of the Capital Programme shall be determined by the Strategic Director (Resources).
- 2.2.** The Strategic Director (Resources), in conjunction with Strategic Directors, shall submit to **The Executive** the estimates of capital payments to be incurred in the ensuing financial years.
- 2.3.** **The Executive** shall consider the overall capital programme and the resources available, make amendments as thought fit, and shall recommend an overall programme to **Council**.
- 2.4.** All new schemes, prior to inclusion in the capital programme, must first have been considered as part of the Service and Financial Planning process and the Corporate Capital Review Group. This must include details of the objectives of the scheme, the resources required, the timescale and the revenue implications.
- 2.5.** Any proposal to amend a project beyond its current policy or include a new project in the capital programme must be considered by the Council in accordance with the Budget and Policy Framework. Amendments to an existing project solely involving budgetary change which is being met from the virement process can be approved in accordance with Section 6 of these Regulations. Supplementary capital estimates from the Capital Programme Contingency Sum must be sought from **The Executive** where sufficient budgetary provision is not available.
- 2.6.** The inclusion of a scheme in the approved Capital Programme shall constitute authority to incur expenditure with the exception of schemes of a budgeted value exceeding £250,000 which shall be specifically reported to **The Executive** for approval to progress.
- 2.7.** However, when the in year capital programme exceeds the resources available at the 1 April of that year, any scheme partly or wholly funded from capital receipts may not commence unless identified in the capital programme as a Priority A scheme. All other schemes partly/wholly funded from capital receipts must not be implemented unless specific Executive approval is agreed and the funding for the scheme is identified.
- 2.8.** The Corporate Capital Review Group monitor the delivery of capital schemes, capital expenditure and resources.

3. BUDGET SETTING – REVENUE

CONTACT: Head of Finance

- 3.2. Revenue budgets include the General Fund Revenue Account, Housing Revenue Account and Trading Accounts.
- 3.3. The Strategic Director (Resources), in consultation with the relevant Strategic Directors, shall prepare revenue estimates. These estimates shall be submitted by the Strategic Director (Resources) and shall detail estimates of expenditure and income for the ensuing financial year and current year. The estimates shall show in respect of each item of expenditure and income:

 - (b.) Original and working budgets for the current financial year.
 - (c.) Original estimate for the following financial year.

In relation to (b.) and (c.) above, the Strategic Director (Resources) or the appropriate Strategic Directors shall report on the reasons for material variations.

- 3.4. **The Executive** shall approve a strategy for fees and charges in line with the Council's overall policies for the coming year. The detailed fee increases will be recommended by the Fees and Charges Officer Group. Strategic Directors will implement changes to fees and charges in accordance with this strategy and the scheme of delegation. **The Executive** is required to approve Strategic Directors proposals in respect of fees and charges where these are not in accordance with the approved strategy.
- 3.5. **The Executive** shall consider the overall revenue budget and the resources available, make amendments as thought fit, shall consult with the **Development and Scrutiny Committees**, and shall recommend an overall budget to the **Full Council**.
- 3.6. It is the responsibility of the Strategic Director (Resources) to advise the **Executive** and/or the **Full Council** on prudent levels of reserves for the Authority. This will be based on a risk assessment of General Fund and Earmarked reserves.

4. SUPPLEMENTARY ESTIMATES

CONTACT: Head of Finance

- 4.1 Supplementary estimates reduce the Council's reserves, and therefore must be used sparingly so as to not jeopardise the Council's Financial Strategy. Service Delivery Units should endeavour to find the resources from their own budgets, financing the project or variance through budget virement (see Section 6 of these Regulations). Supplementary estimates should represent a last option for financing a project or variance.
- 4.2 **The Executive** can approve Supplementary Estimates within the contingency sum approved by the **Full Council** within each Budget Head (as referred to in the Budget and Policy Framework). Supplementary Estimates above these levels, either individually or cumulatively, require the approval of **Full Council**.
- 4.3 A Supplementary Estimate shall only be requested from **The Executive** where expenditure will be incurred that cannot be accounted within a budget head by way of virement. In this context, any reduction to income shall be deemed to be expenditure, except where it relates to seasonal or periodic variations which are not anticipated to affect the annual budgeted figure.
- 4.4 **Executive** Members with portfolio responsibility can approve supplementary estimates within the approved contingency sum for non-key decisions. A copy of the 'non-key decision notice' and '**Executive** Member with Portfolio Responsibility Report' must be forwarded to the Constitutional Services Manager and reported at the next available **Executive**, or as part of the quarterly revenue budget monitoring report to **Executive**.

5. BUDGETARY CONTROL

CONTACT: Head of Finance

- 5.1** The Strategic Director (Resources) shall make available to each Strategic Director, information concerning all income and expenditure falling within their respective responsibilities and such other information that may be relevant. This information shall allow comparison between actual expenditure, including committed expenditure, against the current budget.
- 5.2.** Each Strategic Director is responsible for ensuring that all expenditure and income is processed in a timely manner and charged to an appropriate account code to enable budgetary control information to be produced as per 5.1 above.
- 5.3.** Each Strategic Director is responsible for ensuring that all expenditure committed by their Service Delivery Unit is within a revenue or capital budget. Any expenditure or income likely to vary significantly from an approved budget shall be reported to the Strategic Director (Resources). If appropriate a virement or supplementary estimate will be obtained and reported to Executive as part of the quarterly revenue and capital budget monitoring process.
- 5.4.** The inclusion of items in approved revenue or capital estimates shall constitute authority to incur such expenditure subject to compliance with any requirements mentioned elsewhere in these Regulations and Contract Standing Orders.
- 5.5** Any proposal outside the budget and policy framework that involves:
- (a.)** Capital expenditure not specifically included in the capital budget (see also conditions in paragraph 2.7).
 - (b.)** Revenue expenditure on a new service or project that has not been specifically provided for in any of the revenue budgets.
 - (c.)** A new source of income or significant variation in an existing source of income.
 - (d.)** The sale or disposal of land, buildings or other property of the Council, (other than those for which delegated authority has been given)

shall be subject to the specific approval of the **Council** on the recommendation of **The Executive**. Should, at any time during the project, the likely cost exceed the amount specifically approved or the scope of the project altered, then further specific approval will be sought unless the financial implications can be accommodated by Virement. The initial or any subsequent submission of such proposals to the Council

shall be subject to the procedures in Section 4.

- 5.6** In a situation that necessitates expenditure or the acceptance of quotes/tenders in contravention of these Regulations, the relevant Strategic Director and the Strategic Director (Resources), in conjunction with the Chair of **The Executive**, shall have authority to sanction such expenditure. The Strategic Director (Resources) shall report such approvals in the schedule prepared under Regulation 4.4.
- 5.7** Nothing in these Financial Regulations shall prevent expenditure being incurred where an emergency or disaster involving destruction of or danger to life or property occurs or is imminent. Where in the opinion of the relevant Strategic Director, in consultation if possible with the Chief Executive and the Strategic Director (Resources), the urgency of the situation will not permit delay, nothing in the Financial Regulations or Standing Orders shall prevent the relevant Strategic Director from incurring expenditure. Action under this Financial Regulation shall be reported to the next meetings of **The Executive** and the **Full Council**.

 - No additional budgetary implications will be allowed unless specifically approved by the **Executive** or **Full Council** (where appropriate).

- Reports should make clear how additional or unbudgeted running costs are to be funded in both the current year and future years revenue budgets i.e. via ongoing compensating savings, virement, external funding etc.
- Where virement is proposed, in order to fund overspends or unbudgeted expenditure, reports should indicate whether such virement is to be considered as a permanent adjustment or as a one-off.
- Government grant funding availability / arrangements should be clearly highlighted as should the percentage of expenditure covered by grant and any residual costs to be borne by the Council. If the grant is to be available for only a limited period then this should also be identified in the financial implications.
- Staffing changes / additions should clearly state whether such adjustments are of a permanent, temporary or fixed term nature.
- All financial implications narrative and supporting appendices should be agreed with the relevant Accountant at draft / consultation stage.
- Reports with significant financial implications, should, as a matter of course have a financial appendix which should provide a financial analysis broken down into appropriate cost and income headings (e.g. employee costs, property costs, supplies and services etc.) and should identify current year costs (which in the main will have a part year effect only) and costs for a full financial year.

13. INSURANCES & RISK MANAGEMENT

**CONTACT: Insurance - Head of Finance
Risk Management-Head of ICT and Transformation**

- 13.1 Risk Management** – all organisations, whether private or public sector, face risks to people, property and continued operations. Risk is the chance or possibility of loss, damage, injury or failure to achieve objectives caused by an unwanted or uncertain action or event. Risk Management is the planned and systematic approach to the identification, evaluation and control of risk. Its objectives are to secure the assets of the organisation and to ensure the continued financial and organisational well-being of the organisation. In essence it is, therefore, an intricate part of good business practice. Risk Management is concerned with evaluating the measures an organisation already has in place to manage identified risks and then recommending the action the organisation needs to take to control these risks effectively.
