**3. PRUDENTIAL CODE INDICATORS AND TREASURY MANAGEMENT STRATEGY**

The Committee received a presentation from the Head of Finance outlining details of the Council's Treasury Management Strategy.

The Committee was advised that the Treasury Management Code had been revised to incorporate the new Housing Revenue Account (HRA) Self Financing regime which would replace the current subsidy system from the end of March when it had been projected that the Council would take on a debt of £200.85 million, repayable after 30 years.

In reply to a question concerning the repayment of the debt the Committee was advised that an interest only schedule, with the lump sum repayable at the conclusion of the term, would allow the Council more financial flexibility throughout the period.

In reply to concerns that monies set aside to repay the debt would be vulnerable the Committee was assured that the process and balances

would be subject to constant review by Officers and that the debt was manageable.

Members expressed concern over the shortfall in the General Fund and the attendant borrowing requirement that had been forecast in the medium term.

In reply the Officer stated that Council officers were reviewing a range of potential solutions, including the Asset Management Strategy and the Working Together Programme. It was also acknowledged that the Councils three main income streams would require investment to remain effective.

It was **RESOLVED:**

1. That Council be recommended to adopt the 2012/13 Treasury Management Strategy as detailed in Appendix A of the report, subject to the amendment of paragraph 4.1 of Appendix A to read, 'The Council has determined that it will only use approved counterparties from selected countries with a minimum sovereign credit rating of AA+ (changed from AA-) from Fitch Ratings (or equivalent from other agencies if Fitch does not provide).
2. That Council be recommended to adopt the Prudential Code Indicators as detailed in Appendix A, attachment six.
3. That Council adopt the modification to investment criteria, as detailed in paragraph 4.2.3 and Appendix A, attachment 3 for instant access call accounts.
