Subject: fuel charge

Dear ms emma rose

we strongly object to the proposed fuel charge for taxis. recently the starting fare went up to £450, then the time and half charge starts at 11 instead of 12, and now you want us to pay an extra 40p, how many 40p will they get in one day. Our taxi fare has increased from £17-60 to £27-60 just from welwyn you will price them out of business, are we to pay for their fuel
