Dear heather

As I was not at the last meeting I would like to suggest that instead of a test increase why not present the vehicle with a MOT no more than say 2/3 weeks old then have one of your officers inspect the vehicles body work and inside trim ect ect for a modest fee.

That way the councils mechanics would have more time to spend on council vehicles, should you decide to increase the fee as long as it is kept in line with current MOT fees (£53) that would be acceptable to myself.

Kind regards [REDACTED]
