To whom it may concern. My wife and I would like to state our objections to the granting of a premises licence for the above establishment (Js Bar and Lounge). We don't think it is appropriate location for such an establishment because it is to near residential premises. We understand that the bar will be open until 4am this in itself will be a major problem people rolling out at such an our the worst for wear shouting an singing at the tops of there voices. The noise of people looking for taxis and the noise from cars roaring down the street. My wife and I live at Pinetree Court which is for people over 55, but most of the residents are well beyond this age so they do not want to be woken frightened by noisy people late at night. We think this would be a breach of our human rights to have such an establishment located on Danestrete so near to Pinetree Court.  
Yours Faithfully [REDACTED] Pinetree Court.
