<p>4. SCRUTINY REVIEW OF MEMBERS' EXPENSES AND HOSPITALITY.</p>	
<p>Introductions were made and the Chair welcomed the Leader, the Constitutional Services Manager, the Member Services Officer and the 'Critical Friend', Stephen Hollingsworth, to the meeting.</p> <p>The Committee then asked a number of questions relating to Members' Expenses.</p> <p>Key Points:</p> <ul style="list-style-type: none"> • There was debate over the provision of refreshments for meetings and the Leader requested that Members advise Member Services in good time of the requirement to specify a need for sandwiches. • The Leader made a case for the use of flights to the tripartite meeting in Autun which was acknowledged by the Committee • The Committee was advised that the Town Twinning activities might be given a low priority by townspeople in consultation events. • There was an inequality in the number of Members attending conferences and the purpose of conferences was often inadequately explained. It was felt that this could be addressed by the inclusion of a brief description of the event in any publicity issued to Members. • Concerns were expressed that Members might feel pressured not to claim expenses for attending conferences and thus not be able to afford to attend. • Car mileage rates paid by the Council were above the levels set by HMRC and therefore had tax and National Insurance implications for both staff, Members and the Council, but the Committee was advised that this was currently under review. • The role of sponsorship in the Community Reception / Pride Awards was discussed • The importance of the public's perception of the Mayor was stressed. • It was considered whether the structure of the allowances and expenses scheme inadvertently debarred 	<p>M Nicholson Ext 2278</p> <p>S Crudgington Ext 2185</p>

interest from minority groups in becoming a Councillor.

- Stephen Hollingsworth advised the Committee that the allowance and expenses scheme should cover the costs of Members so that people could undertake the role without either being financially disadvantaged or feeling that they could not afford to do so. He also considered that there had been too much emphasis on cost cutting without looking at the value that the allowance and expenses scheme added either in encouraging people to stand for office or promoting the town (through the Mayor) in the eyes of the townspeople.

The Chair thanked the interviewees and Stephen Hollingsworth for their input into the meeting.

It was **RESOLVED:**

1. That the input from Stephen Hollingsworth be noted and that the use of a critical friend be encouraged in subsequent reviews.
2. That the real and symbolic value of the Mayor, and the role that allowances and expenses allowed the role to be fulfilled, be recognised.
3. That the proposed realignment to staff and Member mileage rates under the Single Status agreement to those advised by HMRC be noted
4. That the reduction in the refreshment spend be noted.
5. That the following recommendations be incorporated in to the final report for the Portfolio Holder:
 - That consideration be given to renaming 'The Community Reception' 'The Mayor's Community Reception'
 - That any policy regarding Mayoral transport should be supportive of a situation whereby the Mayor attending a civic function should not self drive.
 - That the Committee is supportive of a Leader led review into of Town Twinning activities
