<p>The Assistant Director (Finance) presented the draft proposals for the 2014/2015 Council Tax setting and General Fund Budget.</p> <p>Concerns were expressed at the proposal to reduce the Local Community Budget to £2,000 per councillor. The Committee discussed a number of options and the implications for the savings package should the level of the allowance be increased. It was proposed that the Committee resolve to ask the Executive to set a budget level of £3,000 per Member. This proposal was then put to the vote and was carried. Councillors G Clark, J Hollywell and J Thomas requested that their vote in opposition to this proposal be recorded in the minutes.</p> <p>A Member expressed dismay that because of the current financial situation the Council seemed to be putting out negative messages. He said that, despite the cutbacks, the Council continued to do good work within the town and there was a need for the Council's communications policy to reflect that fact. There was a consensus within the Committee for this view.</p> <p>Another Member suggested that to reduce workload for the Customer Service Centre the Council should advertise which services were provided by the Borough and other partnership organisations, in particular the County Council and the Police Authority.</p>	<p>G Moody Ext 2203</p>
