CO-OPERATIVE TENANT AND RESIDENT INVOLVEMENT STRATEGY

**R. Gregory
x2568**

The Executive considered a report in respect of proposed new arrangements for ensuring that SBC tenants and residents has a range of opportunities to participate in the management of their homes and neighbourhoods, building on the development of the Co-operative Neighbourhood operating model.

The following points were made during the debate:

- The Assistant Director (Communities & Neighbourhoods) confirmed that the Housing Management Advisory Board would be consulted on the new proposals by way of a workshop session;
- The consultation exercise should focus on gleaning the views of residents first, rather than presenting them with a series of narrow options;
- In terms of consultation generally, the Leader considered that improved co-ordination of SBC consultation may be necessary, to ensure that the Council was not constantly consulting the same people at the same time on various issues;
- Community plans – it was important that these should be devised by the community for the community, using a bottom-up approach.

It was **RESOLVED:**

1. That a revised participation and engagement approach, as outlined in the report, for Stevenage tenants and residents living in homes rented and leased from the Council, be approved.
2. That the development of Co-operative Neighbourhoods as the mechanism for delivering meaningful, local engagement

opportunities and better relationships with residents that will also meet the specific service and legal requirements relating to the Council's housing portfolio, be noted.

3. That an ongoing approach to tenant and resident participation based on 'engaging, listening and acting', reaching as many tenants and residents as possible to understand what is important to them in their neighbourhood, be approved.
4. That the new co-operative customer scrutiny model for housing functions, as set out in Appendix 1 to the report, be approved.
5. That the development of a new housing forum to create the opportunity for tenants, residents and councillors to engage in the strategic development of housing services, be approved.

LEISURE CONTRACT WORK PROGRAMME

**R. Gregory

The Executive considered a report with regard to a proposed work programme to enable the Council to determine the strategic delivery of its leisure and cultural offer post-March 2023.

In response to a series of Member questions, the Assistant Director (Communities & Neighbourhoods) commented:

- A number of locations were being considered in respect of the potential rationalisation of leisure facilities in the town, with the aim of developing a project to provide wet and dry leisure provision on one site. This was one of the key aims of one of the projects contained in the Town Fund Deal; and
- the opportunity would be taken to look at leisure and cultural provision across the Borough, and to involve as many sports and arts groups as possible in the preliminary and design work on relevant projects, including any new Leisure Centre scheme.

It was **RESOLVED:**

1. That the progression of the Leisure Work Programme, as outlined in the report, be approved.

Local Authorities could bid for funding from this fund, and she stated SBC would be submitting a bid by the deadline date of 18 June 2021, and that officers were working to provide a compelling case, building on the work of the successful Town Investment Plan (Town Fund). Support for the submission of a bid had been confirmed by the Stevenage Development Board.</p> <p>The Chief Executive added that the Levelling Up Fund bid would need to focus on projects that would provide a visible impact on people and their communities, in terms of improved transport, urban regeneration and/or leisure and cultural facilities. The deliverability of schemes was an important factor, with an emphasis on projects that could commence in 2021/22.
