Associated document – Hackney Carriage Tariff Review

The consultation closed at 23:59pm on 6 July 2023. One additional response was received from a member of the public using private hire vehicles.

In response to question 1, the respondent advised that

I find it rather expensive now so will only use in an emergency or use user (Uber) as its a bit cheaper

The respondent strongly opposed Options 1 and 2 and fully supports option 3.

There were no further comments made.

This additional response does not significantly alter the response rates as seen in the substantive report.
