J. James

The Executive considered a report in respect of an update on the Future Council 2025 Transformation Programme savings.

In response to Members' questions, officers commented as follows:

- the majority of visitors to the Customer Service Centre (CSC) had pre-arranged appointments. Once the CSC had moved there would be a member of staff based in the Main Reception to greet customers and point them in the right direction as to how their enquiry could be resolved; and
- there would continue to be self-service PCs in the CSC, with staff on hand to assist customers if required.

It was **RESOLVED:**

1. That the change of location of the customer service centre to the main reception entrance of Daneshill House be approved.
2. That the change of opening hours of customer services from 8am - 5pm to 9pm – 5pm be approved.
3. That the potential savings to the Housing Revenue Account (HRA) and General Fund in support of the Medium Term Financial Strategy be noted.

Strategic Directors were soon to meet with Assistant Directors to monitor the use of agency/temporary staff, although it was acknowledged that the current employment market was very competitive; and • the Cartref site referred to in Appendix A to the report had been used temporarily as a depot/storage area in connection with the Major Repairs Contract and was owned by the Council. Should a scheme be developed, a planning application would be submitted and consulted upon in the usual manner. <p>The Leader drew attention to the Council’s green credentials by referring to the recent fitting of solar panels on to seven of the Council’s refuse lorries. As well as savings on fuel, the vehicles would save a considerable amount of Carbon Dioxide emissions in the coming years.</p> <p>The Portfolio Holder for Housing and Housing Development welcomed the progress toward completion of Helston House, with 29 new Council homes being delivered, and was appreciative of the community open day that took place in September.
