1 **APOLOGIES FOR ABSENCE AND DECLARATIONS OF INTEREST**

There were no apologies for absence and no declarations of interest.

2 **MINUTES OF THE PREVIOUS MEETING**

It was **RESOLVED** that the Minutes of the meeting of the Licensing Committee held on 20 January 2026 be agreed as a correct record and signed by the Chair.

3 **LICENSING HEARINGS - PROCEDURES**

It was **RESOLVED** that the Terms of Reference be noted.

4 **CONSIDERATION OF FOUR TEMPORARY EVENT NOTICES AT THE ROYAL OAK PUB, STEVENAGE SG1 3RA**

The Committee considered four objections to Temporary Event Notices (TENS) submitted for The Royal Oak PH, Walken Road, Stevenage.

The Licensing Officer introduced the report and outlined the matter to determine four TENS for the following dates:

- 22 May 2026 from 23:00 to 01:00;
- 24 May 2026 from 23:00 to 00:00;
- 1 August 2026 from 23:00 to 01:00; and
- 8 August 2026 from 23:00 to 01:00

It was noted that the TENS would allow for a DJ in the main bar and sports bar areas, and would authorise the sale of alcohol on and off the premises, regulated entertainment and late-night refreshments.

Officers advised that the TENS sought to adopt conditions currently attached to the Premises Licence.

The Chair then invited the Environmental Health Officer to present their case.

The Environmental Health Officer highlighted key points from the submitted evidence and referred to the history of noise complaints relating to the premises. It was noted that the objection from Environmental Health was made on the grounds that the TENs would not promote the Licensing Objectives of the prevention of public nuisance and public safety.

The Environmental Health Officer advised that complaints had been received during 2026 relating to regulated entertainment and patrons congregating outside the premises. However, it was noted that Licensing and Environmental Health Officers had undertaken visits and observations and had identified no significant breaches.

In summary, the concern from the Environmental Health Officer was that the Premises Licence conditions and Licensing Objectives would not automatically apply to the TENs and would thereby be undermined.

The Chair invited all parties to ask questions to the Environmental Health Officer. There were none.

The Chair then invited Mr Gould to present their case.

The Committee then heard from Mr Gould the DPS on behalf of the applicant Park Valley Way Pub Company.

Mr Gould explained to the Committee that his TEN for an event on New Years Eve had been allowed to proceed with the Premises Licence conditions attached. He stated that there had been no complaints relating to that event.

Mr Gould also stated that he had a number of visits from the Council following up complaints, but the Premises had been fully compliant. The Chair invited all parties to ask questions to Mr Gould.

In response to questions from Environmental Health, it was noted that the planned events would have a DJ in the main bar where the noise limiter was located.

The Chair then invited all parties to sum up.

Licensing Officers declined to provide a summary.

The Environmental Health Officer advised that while there were concerns about the TENs, these were at the lower end of the risk scale, especially as music from a DJ could be controlled by the noise limiter.

It was **RESOLVED** to permit the TENs to proceed subject to the imposition of all of the Premises Licence Conditions except paragraphs 1 and 2 from Annex 3.

REASON FOR DECISION

The Committee considered all written and oral representations, the Licensing

Objectives, the Council's Licensing Policy and statutory guidance.

The Committee considered both the interests of both the Premises and neighbouring residents, the Committee decided that it would permit the events to proceed subject to the imposition of all the Premises Licence Conditions except paragraphs 1 and 2 from Annex 3. It was noted that those conditions would be inconsistent with the events being permitted to proceed.

The Committee considered each of the TENs and made the same decision in relation to each one.

5 **URGENT PART I BUSINESS**

There was no Urgent Part I Business.

6 **EXCLUSION OF PUBLIC AND PRESS**

It was **RESOLVED**:

1. That under Section 100A of the Local Government Act 1972, the press and public be excluded from the meeting for the following items of business on the grounds that they involve the likely disclosure of exempt information as described in Paragraphs 1 – 7 of Part 1 of Schedule 12A of the Act as amended by Local Government (Access to Information) (Variation) Order 2006.
2. That the reasons for the following reports being in Part II were accepted, and that the exemption from disclosure of the information contained therein outweighs the public interest in disclosure.

7 **URGENT PART II BUSINESS**

There was no Urgent Part II Business.

Authors Julie Dwan | Ext. 2493

Lead Officers Julie Dwan | Ext. 2493

1 PURPOSE

1.1 To determine an application for the Variation of Specified Designated Premises Supervisor at Borough Wines (The Oval Wines), 9 The Oval, Stevenage, SG1 1HF. The Police Senior Licensing Officer, on behalf of Hertfordshire Constabulary, has made representations.

2 RECOMMENDATIONS

2.1 That the Committee reviews the evidence presented by the responsible authority and the applicant. The licensing authority must restrict its consideration to the issue of crime and disorder and if it considers it necessary, reject the application for this variation, or grant the variation.

3 SUMMARY OF APPLICATION

- 3.1 The current premises licence holder of Borough Wines, 9 The Oval, Stevenage SG1 1HF, Mr Emrah Oruc, submitted through a licensing agent, an application to vary the Designated Premises Supervisor from Polat Hasan to Emrah Oruc on 14th April 2026. **A copy of the application and consent form are attached at Appendix A.**
- 3.2 On 16th April 2026, The Police Senior Licensing Officer submitted a representation to this application on behalf of Hertfordshire Constabulary, stating that Mr E Oruc being the new proposed DPS would undermine the crime prevention objective Section 37 (5) Licensing Act 2003. **A copy of the Police Objection notice is attached at Appendix B and continuation notes at Appendix B1 and Appendix B2.**

This application to vary the DPS was accepted as valid and duly made by the Council on Thursday 14th April 2026.

4 BACKGROUND INFORMATION

- 4.1 The Borough Wines (formerly Oval Wines) is located in the shopping precinct at The Oval, Stevenage. It has a premises licence in place which authorises the sale of alcohol for consumption off the premises, Monday to Sunday between the hours of 07:00hrs and 23:00hrs. **A copy of the Premises Licence and plan are attached at Appendix D**
- 4.2 The Police applied to the Council for the review of the Premises Licence for The Oval Wines on 25th October 2024 for failing to promote all four of the licence objectives. The application for review was heard by the licensing committee on 19th December 2024.
- 4.3 The committee during the review of the Premises licence accepted that there was evidence of multiple incidents of breaches of licence including supply/sales of illegal/illicit products, evidence of drugs paraphernalia and residue of cocaine in various public and private areas of the premises.
- 4.4 The premises have failed to observe their licensing conditions attached to the Premises Licence for The Oval Wines, predominantly Annex 2 Condition 1 which refers to the requirement for a digital CCTV system recording images which will be retained in an unedited form for up to 30 days and which shall be made available to any responsible authority upon request, however on multiple occasions when Police have requested CCTV footage it has been unavailable. The Designated Premises Supervisor at the time, Polat Hasan has also failed to make himself available to Police.
- 4.5 Trading Standards officers have recently seized illegal items from these premises. On two occasions Trading Standards Officer recovered illegal products from The Oval Wines including tobacco pouches, a number of cartons of cigarettes and a number of Viagra jellies, which can only be obtained following a consultation with a pharmacist.
- 4.6 The proposed DPS and Premises Licence holder Mr Oruc identified himself on CCTV footage as being present and gesturing known gang members who had

been seen armed with machetes and knives however, he had not previously identified himself as being a witness when Police had approached him at the premises requesting CCTV footage as per the conditions of the premises licence, nor did he call the Police at the time of the incident.

- 4.7 The decision of the committee at the review hearing on 19th December 2024 was to revoke the premises licence in its entirety. **Notes and matters of fact relating to the hearing can be found in the decision notice which is attached at Appendix C.** This decision is being appealed and due to be heard at Stevenage Magistrates Court on 7th May 2026.
- 4.8 The proposed Designated Premises Supervisor, Mr Oruc who is also the licence holder had applied to vary the DPS to himself with immediate effect on 17th December 2024. An objection was received by police on 23rd December as they believe the appointment of Mr Oruc as designated premises supervisor, would undermine the crime prevention objective. The matter was due to be heard by the licensing committee on 24th January 2025 however the application was withdrawn by the applicant on 21st January 2025.
- 4.9 A second identical application to vary the DPS to Mr Oruc was received on 21st January 2025. Again, an objection was received by police on 21st January as they believe the appointment of Mr Oruc as designated premises supervisor, would undermine the crime prevention objective. The matter was due to be heard by the licensing committee on 17th February 2025 however the application was withdrawn by the applicant on 14th February 2025.
- 4.10 This third identical application to vary the DPS to Mr Oruc was also received on 14th February 2025. Again, an objection was received by police on 14th February as they still believe that the appointment of Mr Oruc as designated premises supervisor, would undermine the crime prevention objective. The matter was due to be heard by the licensing committee on 3rd March 2025 however the application was withdrawn by the applicant on 28th February 2025.
- 4.11 The fourth identical application to vary the DPS to Mr Oruc was also received on 28th February 2025. Again, an objection was received by Police on 29th February 2025 as they still believe that the appointment of Mr Oruc as designated premises supervisor, would undermine the crime prevention objective. The matter was due to be heard on 27th March 2025 however the application was withdrawn on 26th March 2025.
- 4.12 The fifth identical application to vary the DPS to Mr Oruc was also received on 26th March 2025. Again, an objection was received by Police on 27th March 2025 as they still believe that the appointment of Mr Oruc as designated premises supervisor, would undermine the crime prevention objective. The matter was due to be heard on 11th April 2025 however the application was withdrawn on 9th April 2025.

- 4.13 The sixth identical application to vary the DPS to Mr Oruc was also received on 9th April 2025. Again, an objection was received by Police on 10th April 2025 as they still believe that the appointment of Mr Oruc as designated premises supervisor, would undermine the crime prevention objective. The matter was due to be heard on 21st May 2025 however the application was withdrawn on 19th May 2025.
- 4.14 The seventh identical application to vary the DPS to Mr Oruc was also received on 19th May 2025. Again, an objection was received by Police on 19th May 2025 as they still believe that the appointment of Mr Oruc as designated premises supervisor, would undermine the crime prevention objective. The matter was due to be heard on 8th July 2025 however the application was withdrawn on 7th July 2025.
- 4.15 The eighth identical application to vary the DPS to Mr Oruc was received on 7th July 2025. An objection was received by Police on 16th July 2025 as they still believed that the appointment of Mr Oruc as designated premises supervisor, would undermine the crime prevention objective. The matter was due to be heard on 18th August 2025 however the application was withdrawn on 14th August 2025.
- 4.16 An application for a Minor Variation to the Premises Licence for The Oval Wines was accepted which proposed to remove 4 conditions and add 16 additional conditions. On 15th August 2025 an Objection to this application was received from Hertfordshire Police on the basis that it would fail to prevent crime and disorder. Also on 15th August 2025, Hertfordshire County Councils Trading Standards submitted an objection to this application on the basis that it would fail to prevent crime and disorder and to fail to protect children from harm. The Licensing Authority was satisfied that granting this minor variation would, on balance, adversely affect the premises' ability to promote all four of the licensing objectives, therefore the application for a minor variation to the premises licence for these premises was refused on 19th August 2025.
- 4.17 The ninth identical application to vary the DPS to Mr Oruc was received on 14th August 2025. An objection was received by Police on 27th August 2025 as they still believed that the appointment of Mr Oruc as designated premises supervisor, would undermine the crime prevention objective. This matter was due to be heard on 22nd September however the application was withdrawn on 19th September 2025.
- 4.18 The tenth identical application to vary the DPS to Mr Oruc was received on 19th September 2025. An objection was received by Police on 22nd September 2025 as they still believed that the appointment of Mr Oruc as designated premises supervisor, would undermine the crime prevention objective. This matter was due to be heard on 25th November however the application was withdrawn on 24th November 2025.
- 4.19 The eleventh identical application to vary the DPS to Mr Oruc was received on 24th November 2025. An objection was received by Police on 4th December 2025 as they still believed that the appointment of Mr Oruc as designated premises supervisor, would undermine the crime prevention objective. This

matter was due to be determined by committee on 5th January 2026 however the application was withdrawn on 1st January 2026.

- 4.20 On 2nd December the Appeal was due to be heard at Stevenage Magistrates Court however it was adjourned and relisted for 7th and 8th May 2026 to allow sufficient court time for this matter to be decided upon by the magistrates.
- 4.21 The twelfth identical application to vary the DPS to Mr Oruc was received on 1st January 2026. An objection was received by Police on 12th January 2026 as they still believed that the appointment of Mr Oruc as designated premises supervisor, would undermine the crime prevention objective. This matter was due to be determined by committee on 9th February 2026 however the application was withdrawn on 5th February 2026.
- 4.22 The thirteenth identical application to vary the DPS to Mr Ocuc was received on 5th February 2026. An objection was received by Police on 16th February 2026 as they still believed that the appointment of Mr Oruc as designated premises supervisor, would undermine the crime prevention objective. This matter was due to be determined by committee on 18th March 2026 however the application was withdrawn on 13th March 2026.
- 4.23 The fourteenth identical application to vary the DPS to Mr Oruc was received on 13th March 2026 and accepted by the licensing authority on 16th March 2026. An objection was received from Police on 17th March 2026 as they still believed that the appointment of Mr Oruc as designated premises supervisor would undermine the crime prevention objective which is now brought before the committee for consideration.
- 4.24 The fifteenth identical application to vary the DPS to Mr Oruc was received and accepted by the licensing authority on 14th April 2026. An objection was received from Police on 16th April 2026 as they still believed that the appointment of Mr Oruc as designated premises supervisor would undermine the crime prevention objective which is now brought before the committee for consideration.
- 4.25 The Appeal against the revocation of the premises licence was due to be heard at Stevenage Magistrates Court on 7th and 8th May 2026, but the case was adjourned due to sickness, and we are currently awaiting a new date for this matter to be heard.
- 4.26 The Council has been unable to arrange a hearing within the expected statutory timeframe due to the timing of the local elections and the subsequent appointment of a new Licensing Committee. In addition, training of newly appointed Committee Members is required to ensure they are fully equipped to determine such matters.
- 4.27 The Council considers it to be in the public interest, particularly given the nature and seriousness of the matters to be considered within this application, that Members receive appropriate training prior to the hearing taking place.

- 4.28 Accordingly, the Council is exercising its powers under Regulation 11 of the Licensing Act 2003 (Hearings) Regulations 2005 to extend the statutory time limit for the hearing, on the basis that this is necessary in the public interest. The Council has also had regard to the fact that the application has been submitted and subsequently withdrawn on multiple occasions.

5 RESPONSIBLE AUTHORITIES

- 5.1 Representations to vary the Designated Premises Supervisor can only be made by the Police, who may object to the designation of the new DPS where in exceptional circumstances, they believe that the appointment would undermine the crime prevention objective.
- 5.2 An additional statement was provided by Police on 8th August 2025, following a complaint by a local resident in respect of the premises selling alcohol to a drunk person contrary to Section 141 Licensing Act 2003. This and a second exhibiting statement is **attached at Appendix F**.

Hertfordshire Constabulary, being a nominated Responsible Authority under the Licensing Act 2003, wish to make representation to this application.

Our representation(s) are made in consideration to the below licensing objectives, as we believe the operating schedule does not adequately demonstrate how you, the applicant will best support this.

Licensing Objections

YES	Yes Or No	Evidence supporting representation or reason for representation. Please use continuation sheet as required
To prevent crime and disorder	YES	<p>The proposed DPS is Premises Licence Holder for Borough Wines (formerly Oval Wines).</p> <p>Evidence of multiple incidents of breaches of licence including sales of illegal/illicit products, evidence of drugs paraphernalia and residue of cocaine in various areas of premises. The proposed has been made aware of these breaches, has been warned in writing by SLO [REDACTED] and has been viewed on video footage at the scene of crime and disorder. See video footage produced –</p> <p>This is part of the revocation case, which is being appealed against and was re-scheduled until later in 2026 to be heard at SMC.</p> <p>A complaint was recently received by Police, which has now been investigated in relation to the conduct of Management of Oval Wines, and alleged breaches of the Licensing Act 2003. Statements and downloads of house CCTV are available to be viewed.</p> <ul style="list-style-type: none"> • Following enquiries into this complaint, Mr [REDACTED] did not offer CCTV download, requested on several occasions, and was sent a warning letter in respect of a breach of his Licencing Conditions. See attached letter. • Mr [REDACTED] was also sent a letter in relation to sale of alcohol to a drunk, which is also attached. <p>An incident was reported to Police on 9th September 2025, and reports and evidence are attached to this application. This incident has evidenced that the customer involved was highly intoxicated and was able to purchase alcohol at Oval Wines.</p> <p>On 29th January 2026, there was an incident at Oval Shopping Centre, Stevenage, when a robbery was committed at a Chemist shop in the Oval precinct, and this currently being investigated. Though the incident does not involve Borough Wines, it has highlighted a concern about customers with balaclava's being served by staff at Borough Wines, which is being looked in to at this time. The customer being served at Borough Wines, on that still, is the suspect in the robbery case, who had attended Borough Wines, just before the robbery.</p> <p>The still will be available when investigations are completed.</p>
Public safety	YES	<p>It is reported, and also admitted, [REDACTED], (the proposed DPS) that he has been on scene when:</p> <p>'Disruption and violent disorder by customers around the vicinity of Oval Wines, regarding activities, caused distress and alarm to other businesses</p>

		and their customers. CCTV footage is available.'
To prevent public nuisance	YES	<p>Members of the 'Oval' gang used this as their hub and constantly frequented the shop and gathered in close proximity outside. These males were causing distress and anti-social behaviour in and around the Oval shopping precinct. Meeting in large numbers as many as 20 to 30 people, smoking and believed to be dealing drugs. Using foul and abusive language, intimidating people visiting the precinct and causing a nuisance to customers and other local businesses. Statement from Policed Sergeant [REDACTED] NPT, produced. The proposed DPS/owner was aware and there is video footage of him on scene when the gang have entered and exited the premises, during an incident.</p> <p>*Though the gang was dispersed by Police during additional emergency patrols at that time, these are not permanent, and it is believed they will resume their activities in the future.</p> <p>See last comment added on the Prevent Crime and Disorder section above, in relation to a customer wearing a full-face balaclava.</p>
To protect children from harm	YES	<p>As there was evidence of drug use in the shop, due to residue being found within that shop, (also there are concerns and gang related ASB), there was no chance of the applicant/ owner, who attends the shop on a daily basis, not to being aware of this. It has also been proven that illegal tobacco and other substances/medication have been stored and found in the rear of the shop, which is of concern.</p> <p>There are various Intelligence reports which refer to drugs and young males attending the premises, some as young as 11 years of age and there is cause for concern. Knife carrying has also been mentioned. Local authority CCTV has shown that previously suspects at the Oval in possession of large machetes chasing this group, (many of whom are children), and some have sought refuge in Oval Wines. When requested the licensee and owner/applicant, have been unable to provide footage that shows this incident.</p> <p>– Please also see recent failure by Mr [REDACTED] to furnish Police with download of CCTV, requested on several occasions.</p> <ul style="list-style-type: none"> As previously alluded to, though the gang was dispersed by Police during additional emergency patrols at that time, these are not permanent, and it is believed they will resume their activities in the future.

The below additions to the Schedule as provided at Part 4 of the application, identifies those matters that we believe are necessary, to promote the licensing objectives.

	<p>Hertfordshire Constabulary is of the view that the proposed DPS will not conform with the licence and have proven, by way of constant breaches to which he will not adhere to it. (See attached notes). Added to this, the use of these premises for the purpose of selling illegal vapes. tobacco/cigarettes, in the past, and the evidence of drugs within the shop, Police do not believe that the proposed DPS/Management of the premises can be trusted to the four Licensing Objectives.</p>
--	---

The proposed DPS/PLH challenged police, in support of the youths, during enquiries being conducted following incidents around the premises, indicating that the youths were not doing anything wrong.

As already stated, there is currently an outstanding complaint from a MOP, being investigated in relation to an alleged breach of the Licensing Act 2003, which, if founded will deem Mr. [REDACTED] as not fit and proper to be DPS at Oval Wines.

OTHER CONSIDERATIONS:

Previous attitude of proposed DPS towards Police Officers, Police staff on occasions, have been unacceptable.

Recent complaint from MOP is being investigated, including attitude of management towards the complainant.

Information to be submitted with this application, however, extract below from the complainant's statement regarding a drunk purchasing alcohol from the shop.

'This person in particular, was irate when I mentioned the licencing act and he said, "IF HE PICKS UP A 6 PACK OF BEER, IM SELLING IT TO HIM, WE ARE A SHOP".'

Police do not expect this sort of behaviour from a DPS – see comments made by the witness on statements with regard to the sale of alcohol to a paying customer.

CCTV was requested by an Officer and was not readily available on the day – 21st August 2025.

Since this date various attempts to retrieve downloads of CCTV footage for specific dates, have been made, and though some have now been received, there have been unacceptable delays, and Police hours wasted attempting to collect them.

There have been other requests by Police, visits made and advice given by Officers, when Good Sam was offered as a tool to assist Mr [REDACTED] (after reminders), to transfer the CCTV download, for access by officers.

Additional information attached as evidence, due to content offered, and missing footage.

It is a condition of the premises licence, (Condition 1 of Annex 2) that The Oval Wines have CCTV in place which will record and retain unedited images for up to 30 days and which will be made available to any Responsible Authority on request.

There continue to be additional patrols in place which include the Oval, due to the gang culture around the Oval precinct, and the historical issues in and around what is now known at Borough Wines (previously known as Oval wines).

Though there has been a reduction in crime in this area, it is unknown how long these will continue, and should

they cease there is a concern the gangs will resume their previous ASB.

Additional Note.

More recently revised/replacement conditions were offered by Mr [REDACTED] on the recently refused Minor application for Oval Wines, as below:

Conditions to be added:

- 1. Closed Circuit Television (CCTV) systems that capture head and shoulders images of persons entering the premises and all points of sale shall be installed, operate and record video images at all times that the premises are open to the public.*
- 2. All CCTV recordings made shall be retained for not less than 31 days and be made available to Police or an authorised officer of any responsible authority within one hour upon request. In accordance with current data protection legislation.*
- 3. A member of staff capable of operating the CCTV system and downloading images shall be at the premises at all times that the premises are open to the public.*
- 4. The CCTV system shall display on any recording, the correct date and time of the recording.*

Should you require clarification on any matter being made, please contact the named officer to discuss further.

NOTES – INCIDENT AT OVAL WINES 9th SEPTEMBER 2025

On Tuesday 9th September 2025, at approximately 17:00 hours, Police received a 999-call stating there was a fight at the Oval Wines Store, 9, The Oval, Stevenage. I have collated below the evidence I now offer, with regard to the incident. The information I have, I offer in relation to this shop serving to drunks, as Police have already received complaints from a member of the public regarding an alcoholic being able to purchase alcohol from Oval Wines – see previous information recently submitted.

Report and observations from Pc [REDACTED]

The informant stated there was a fight outside the shop, involving five people, including two Asian men who worked in the shop. Police arrived.

PC [REDACTED] was among three officers attending the incident at the Oval.

His version of events explained that when police arrived, they were made aware of two separate allegations with regard to the incident.

The person who is employed at the shop was working the tills and the other party entered the shop three to four times throughout the day.

He was eventually refused alcohol by him, and the shop assistant and another, believed to be employed by the shop, attempted to escort him out of the store. He stated that the customer had then pushed him, so he pushed him back.

The customer then briefly left the store before returning as he believed that he had left his phone in the shop.

The shop assistant said that the customer then punched him to the left-hand side of his face, causing no injury, over not being able to find his phone.

Allegations made by Customer:

He stated that he entered the store to purchase alcohol.

He was refused the alcohol.

A verbal altercation ensued which resulted in the customer being pushed. As a result of that push, the customer fell backwards into a puddle.

The Officer stated that the staff failed to provide CCTV when it was requested, telling Pc [REDACTED] that 'The boss wasn't in,' and he did not know how to work it?

On Wednesday 10th September, Pc [REDACTED] attended Oval Wines, and requested the CCTV download from Mr Oruc, who was in attendance at the shop. Mr [REDACTED], once again, told Police that he was unable to download CCTV at any length but in 10-minute snippets.

See below from Pc [REDACTED]

'I was shown the CCTV from Oval wines, I have sent him a goodsam link for him to upload the footage, he said it will come in 10 min chunks.

I've requested 16:30-17:00 under 09092025-0532 and 16:00-16:45 under 41/85817/25.'

Mr [REDACTED] has since supplied CCTV download, via GOODSAM, though in several 10-minute snippets, which have been downloaded onto a CD by Police, due to it being confusing, out of sequence, and duplicates of some of the snippets. See notes to accompany the viewing of the CD.

Attached is the statement from Pc [REDACTED] who was one of the Officers dealing with this incident, and who has made subsequent enquires to clarify points raised.

There is footage of Pc [REDACTED] attending the Oval, which, if required, would be offered at any hearing, by himself.

Additional/amended Notes in relation to the breach of Licence conditions for Oval Wines in relation to production of CCTV to Responsible Authority

Following receipt of this information, and the CCTV being reviewed, Pc [REDACTED] of the Neighbourhood Policing Team attended Oval Wines on the morning of Thursday 21st August. He requested footage for the times between the drunk individual leaving his residence and when he returned to that residence, to verify that he had purchased his alcohol from Oval Wines.

Timeline:

- The Sales assistant told Pc [REDACTED] that he was unable to download as he had no 'mouse,' therefore Pc [REDACTED] attended the Police Station and returned later that morning with a mouse. By that time **Mr. [REDACTED] owner and applicant for DPS**, had been contacted by the sales assistant, and spoke on the phone to Pc [REDACTED], telling him that he was unable to produce the CCTV footage requested, at that time, but offered to furnish him with the footage later, but asap
 - PC [REDACTED] re-contacted Mr [REDACTED] on 22nd August, as there had been no contact from him, and was told by Mr. [REDACTED] that he was unable to offer it until the beginning of the following week.
 - On Saturday 23rd August Mr [REDACTED] made contact via e mail, with Pc [REDACTED] stating he was unable to download the CCTV. But if somebody from the Police were to attend the shop, they could download.
 - Following Bank Holiday Monday, on Tuesday 26th August two PCSO's from Stevenage Neighbourhood Policing Team, attended Oval Wines, as requested by M [REDACTED] to attempt to download the CCTV footage which had been requested by Pc [REDACTED] previously.
 - When the PCSO's attended on that afternoon and requested the CCTV. Mr [REDACTED] was not on site and had left a message that he unable to provide the CCTV as he had said, and it was not accessible. This was captured on Body Worn Camera, which will have the exact times.
 - Mr [REDACTED] then spoke with the PCSO's over the phone and asked that an officer attend the shop on Thursday between 16:00 and 17:00 as he will be on site and would have it accessible for download by Police.

Additional information

- On Thursday 28th August, PCSO [REDACTED], of the Stevenage Neighbourhood Policing Team, attended Oval Wines, as arranged by P [REDACTED] to collect the CCTV download.
- The CCTV download was not produced at that time, and to date has not been received via Good Sam, by Police.

Hertfordshire County Council Trading Standards - [REDACTED]

- **Licence Holder - Oval Wines**

[REDACTED] - Licence Holder; [REDACTED] Licensing advisers.

BACKGROUND:

1. The Oval Wines is located in the shopping precinct at The Oval, Stevenage. It has a premises licence in place which authorises the sale of alcohol for consumption off the premises, Monday to Sunday between the hours of 07:00hrs and 23:00hrs.

THE APPLICATION

2. An application for a review of the premises licence for The Oval Wines, 9 the Oval, Stevenage. SG1 5RA had been made by Senior Licensing Officer [REDACTED] of Hertfordshire Constabulary. Representations have been made by Hertfordshire Trading Standards as a Responsible Authority. No representations were made by other responsible authorities or by members of the public.

3. The basis for the review application is fully set out in the agenda for the Committee meeting. In summary the application for the review cites all four of the licensing objectives and are summarised in the report as follows:

4. The prevention of crime and disorder

- 4.1. *Evidence of multiple incidents of breaches of licence including supply/sales of illegal/illicit products, evidence of drugs paraphernalia and residue of cocaine in various public and private areas of the premises. Statements from Police Officers and supporting evidence is contained with this review application.*
- 4.2. *The premises have failed to observe their licensing conditions attached to the Premises Licence for The Oval Wines, predominantly Annex 2 Condition 1 which refers to the requirement for a digital CCTV system recording images which will be retained in an unedited form for up to 30 days and which shall be made available to any responsible authority upon request, however on multiple occasions when Police have requested CCTV footage it has been unavailable. The Designated Premises Supervisor has also failed to make himself available to Police.*
- 4.3. *Trading Standards officers have recently seized illegal items from these premises. On 3rd October 2024 Trading Standards Officer recovered illegal products from The Oval Wines including tobacco pouches, a number of cartons of cigarettes and a number of Viagra jellies, which can only be obtained following a consultation with a pharmacist. A witness statement and supporting documents from the Senior Trading Standards Officer have been provided by Police and is contained within this review application.*

5. Public Safety

- 5.1. *The Oval has a gang who are using the shop as their base, and are causing anti-social behaviour, and it is believed that they are dealing drugs from the shop. (See drug wipe results). There is evidence of knife related crime in the vicinity. On a daily basis known drug users, dealers and perceived gang members are both inside or just outside of the shop, and it is believed exchanges are being made and deals are taking place.*
- 5.2. *Evidence of multiple incidents of breaches of licence include sales of illegal/illicit products, evidence of drug paraphernalia and residue of cocaine in various areas of premises.*

6. The Prevention of Public Nuisance

- 6.1. *Members of the the 'Oval' gang appear to use Oval Wines as their hub, gathering in close proximity outside. Disruption and violent disorder by customers around the vicinity of Oval Wines, include gang related fights, and believed drug exchanges and dealings, causing distress and alarm to other businesses and their customers.*

7. Protection of children from Harm/ Prevention of Public Nuisance

- 7.1. *There was evidence throughout The Oval Wines off licence of drug use with the Police drugs wipes highlighting cocaine residue. There are various Intelligence reports which refer to drugs and young males attending the premises, (some as young as 11 years of age) which is a cause for concern. Knife carrying has been mentioned, CCTV shows suspects at The Oval were in possession of large machetes who were seen chasing a group of young people/children, some of whom sought refuge in The Oval Wines. No calls were made to Police regarding this incident from The Oval Wines at the time of the incident and CCTV was not available from the premises as required by the Premises Licence conditions.*

8. *Hertfordshire Police Constabulary are of the view that these premises will not conform, stating that this is evidenced by the sustained noncompliance with the Premises Licence and its conditions. In addition to this, the use of the premises for the purpose of selling illegal vapes, tobacco/cigarettes and evidence obtained of drugs (cocaine) within the shop. Police believe that the failure of the premises licence holder to adhere or promote the four licensing objectives coupled with the absence of the designated premises supervisor from the premises and that they are non-contactable suggests that neither are in a position to continue to manage the premises to meet their obligations under the Licensing Act 2003. It is the request of the Police that the premises licence be revoked in its entirety.*
9. The application for review was accepted as valid and duly made by the Council on 29th October 2024.
10. Subsequently Hertfordshire County Council Trading Standards made representations in support of the review application, based on the discovery on the premises of illegal tobacco products and a prescription-only medication.

The Hearing

Police Evidence

11. The Police representatives spoke to the basis of their application for review of the licence. They spoke of incidents connected with the premises and said that they had serious concerns about the management of the premises.
 - 11.1. On 3 October 2024 Police had been present when illegal items had been seized. These were illegal tobacco products and cigarettes. A Viagra-type jelly was found in the shop which could only be sold with a prescription. There were items of drugs paraphernalia (a grinder and small bags). £4,000 in cash was found in a bag and was seized. No explanation was offered for the presence of the cash.
 - 11.2. Drugs wipes were used on the visit, which showed strong indications of cocaine use in the toilet, sink and kitchen area, as well as on both sides of the customer counter. However, no drugs were found on the premises.
 - 11.3. The License Holder had failed to produce CCTV footage in breach of licence conditions. The request for CCTV footage was made in the light of a very serious incident on 30 August 2024 involving gang violence in the vicinity of the premises. CCTV footage was requested on a subsequent visit to the shop on 3 October 2024 but, again, was not available.
 - 11.4. It was a licence condition that the Designated Premises Supervisor, [REDACTED], should be readily available but attempts by the Police to contact him had failed.
 - 11.5. The Police were concerned that the "Oval Gang" was using the shop as a base and was dealing drugs either within the shop or in its close vicinity.
 - 11.6. The Police believed that the Licence Holder supported customers against the Police and did not co-operate in supporting Police efforts to tackle crime and disorder in the area. On one occasion, gang members escaped through the shop. The Licence Holder had not contacted the Police to alert them to the incident on 30 August despite being present and did not volunteer witness information.

- 11.7. In response to questions from the Licence Holder and his representative, the Police confirmed that no drugs or weapons had been found on the premises and that they had not seen drug dealing taking place on the premises. The Police mentioned the absence of CCTV footage from the premises.
- 11.8. The Police showed CCTV footage of the incident on 30 August 2024. This showed a clash between members of rival gangs, some of whom were seen carrying machetes and knives. A group was shown congregating outside the premises in the lead-up to the incident. The Police believed that those involved had links to "County Lines" drug dealing operations.
- 11.9. In response to questions from the Licence Holder and his representative, the Police confirmed that no drugs or weapons had been found on the premises and that they had not seen drug dealing taking place on the premises. The Police mentioned the absence of CCTV footage from the premises. The Licence Holder's representative asked the Police why they had not arrested [REDACTED]. The Police said that they did not have evidence to support arrest and clarified that they were not suggesting that [REDACTED] was drug dealing.

Trading Standards Evidence

12. [REDACTED] from Hertfordshire County Council's Trading Standards Department said that one of the Department's roles was to deal with the sale of illegal tobacco.
- 12.1. She had attended Oval Wines on two occasions and had seized illegal tobacco on both. She said that it was clear that the tobacco did not comply with packaging regulations which were compulsory for tobacco sold in the UK. It was illegal to sell tobacco which was non-compliant and duty would not have been paid on such tobacco.
- 12.2. It was possible that the tobacco was counterfeit and had been sent for tests. However, the results were not yet available.
- 12.3. [REDACTED] said that the storage of the tobacco was suspicious, as it was concealed in drink pallets from which cans had been removed and was kept separate from legitimate tobacco which was on sale.
- 12.4. Ms [REDACTED] explained the problems caused by illegal tobacco sales. Counterfeit tobacco infringed intellectual property rights and was often linked to other sorts of criminality such as money laundering and modern slavery. Not complying with packaging requirements undermined the health approach to the sale of tobacco, avoiding the health messages required by law. The non-payment of duty was also serious, as it deprived the Exchequer of revenue and allowed tobacco to be sold more cheaply, making it more attractive to children.
- 12.5. In addition to illegal tobacco, the inspections uncovered the concealed presence of five packets of "Kamagra Oral Jelly" which [REDACTED] believed contained the same active ingredient as Viagra, which was a prescription-only medicine, and which could not lawfully be sold from the shop.

The Licence Holder's Evidence

13. The Licence Holder, [REDACTED] and his representative, [REDACTED], addressed the Committee. They had submitted a list of additional licence conditions which [REDACTED] would be happy to accept to address the issues raised by the review.

- 13.1. They placed much of the responsibility for issues with the premises on the failings of the Designated Premises Supervisor, ██████████ had recently been dismissed and ██████████ would personally take on the responsibilities of the DPS.
- 13.2. ██████████ had not worked for the previous owner and had no contact with him. Mr Oruc had come to the premises with a clean record.
- 13.3. ██████████ representative criticised the licence conditions, saying that they were out of date and the CCTV conditions were “sparse”.
- 13.4. The CCTV was now working satisfactorily. Initially, the hard disk for the system was too small to store CCTV images for the time period required by the licence. This was why the images were not available on the first visit by the Police. ██████████ was not aware of the small size of the hard drive and had subsequently replaced it. A failure by his CCTV provider in setting the system was responsible for the absence of images on the second visit.
- 13.5. The presence of illegal products was not disputed but ██████████ was unaware of this. The sales had been the responsibility of two members of staff who had been making sales “under the counter”. They had since been dismissed. A proposed condition requiring the retention of receipts for tobacco and alcohol products would address the problem.
- 13.6. The £4,000 cash found on the premises had belonged to another member of staff, who had stored it there as it was a safer place to store the cash than the member of staff’s shared accommodation.
- 13.7. ██████████ was as surprised as the Police about the positive results when the premises were swabbed for drug residue. He thought it was possible that staff may have used drugs in the toilets but he did not understand the results for the shop counter.
- 13.8. ██████████ for the future, was happy not to sell drugs paraphernalia but pointed out that their sale was not unlawful and that the items found were sold in lots of shops. This did not make him a drug dealer.
- 13.9. There was no evidence of weapons on the premises and it was not illegal for young people to visit the premises. However, ██████████ was happy for a condition to limit the number of under-18s in the shop to two at a time.
- 13.10. ██████████ had no links to the gang. He had no power to stop them congregating outside his shop. He was not acquainted with the alleged gang members. He did not know names but recognised some faces. He said that local traders had massive problems and had complained many times. They didn’t call police to incidents as they were fearful. ██████████ did not want to be perceived as a “snitch”. The Police suggestion that he was linked to drug dealing put him at risk as drug dealers might mistakenly think he was a rival. He said that there was no CCTV evidence of drug sales to 11-year-olds. Tackling criminality by gangs was the responsibility of the Police, not him. ██████████ would welcome a much greater Police presence, including immediately outside his premises.
- 13.11. ██████████ was questioned by Police representatives at the hearing regarding CCTV footage of the incident on 30 August 2024. It had become apparent shortly before the hearing that ██████████ was visible in the CCTV footage obtained from other sources. He was asked why he had not identified himself as a witness when the Police had requested CCTV footage from him. Mr ██████████ said that he had not been asked to make a statement. The Police said that, as ██████████ had

not said that he was present, they had not known that he was a witness. ██████ said that he didn't want to get involved with Police or gang matters.

13.12. Further questions sought to clarify issues around CCTV, the drugs residue found and whether ██████ felt intimidated by the gang presence. ██████ was afraid of being "labelled" by the gang but would welcome uniformed Police presence.

13.13. Councillor ██████ asked ██████ why he had not called the Police when he became aware of unlawful activities by members of staff. ██████'s representative said that he had not wished to involve the Police.

13.14. Cllr Wren asked about the CCTV incident involving the machetes. ██████ said that he had seen a machete and that his main objective was to get everyone away from his business. This explained the apparent gesturing to gang members. People had run into his shop and he had opened the rear door as he wanted to get them out. He did not want a physical confrontation. Mr Hopkins said that the installation of an electronic lock on the front door, along with a "two at a time" rule would tackle issues in the future. ██████ said that he was completely happy to work with the Police.

13.15. Cllr ██████ clarified how long ██████ had been responsible for the premises and asked whether there had been other incidents. ██████ said that there had been only minor incidents and confirmed that these had been recorded in the incident book.

Summing Up

14. Opportunity was given for the parties to sum up.

14.1. The Police referred to a meeting with ██████ on 19 April 2023, notes of which were appended to the Licensing Committee report at page 39. (Item B1.) At the meeting ██████ had seemed knowledgeable about licensing issues. At the meeting, the Police had offered help with issues of anti-social behaviour.

14.2. Mr ██████ for Mr ██████ stated that they had said what they wanted to say. Mr ██████ deplored the sale of illegal tobacco and other unlawful activities. He had proposed an extensive list of additional conditions and asked that Mr ██████ be given another chance.

Findings of fact

15. The facts were, largely, not in dispute, although responsibility for the incidents that led to the review application was contested.

15.1. The Licensing Committee made the following findings of fact:

15.1.1. The Licensee had breached the licence condition requiring CCTV images to be available for inspection in an unedited form for up to 30 days.

15.1.2. The Designated Premises Supervisor had failed to make himself available to the Police, as required by the licence.

15.1.3. The premises were used for the storage of illicit/illegal tobacco products and prescription-only medicines.

15.1.4. The premises were used for the sale of drugs paraphernalia.

- 15.1.5. There was clear evidence of unlawful drug use within the premises, as shown by the positive results for cocaine shown by swabbing.
- 15.1.6. The premises acted as a focus for a local gang, which congregated in the vicinity of the shop. Gang activity was linked to incidents of violence and disorder, as shown in the CCTV footage from 30 August 202.
- 15.1.7. Mr [REDACTED] had not pro-actively co-operated with the Police in addressing incidents of illegality and anti-social behaviour.

Decision

16. The Committee's decision is that the premises licence in respect of the premises should be revoked.

The Licensing Objectives

17. The Committee took careful account of all the material before it, including representations made by the Licensee.

17.1. The Committee also took account of the statutory guidance published under section 182 of the Licensing Act 2003. Of particular relevance is the guidance from paragraph 11.24 on "reviews arising in connection with crime.

17.2. The Committee was guided by paragraph 11.26, which states:

Where the licensing authority is conducting a review on the grounds that the premises have been used for criminal purposes, its role is solely to determine what steps should be taken in connection with the premises licence, for the promotion of the crime prevention objective. It is important to recognise that certain criminal activity or associated problems may be taking place or have taken place despite the best efforts of the licence holder and the staff working at the premises and despite full compliance with the conditions attached to the licence. In such circumstances, the licensing authority is still empowered to take any appropriate steps to remedy the problems. The licensing authority's duty is to take steps with a view to the promotion of the licensing objectives and the prevention of illegal working in the interests of the wider community and not those of the individual licence holder.

- 17.3. Mr [REDACTED] had not disputed incidents of illegality on the premises but denied personal responsibility. Whilst the Committee's view was that Mr [REDACTED] had done little, if anything, to tackle illegality, the guidance makes it clear that personal culpability is not the issue.
- 17.4. Paragraph 11.27 says that there is "certain criminal activity that may arise in connection with licensed premises which should be treated particularly seriously". These include the use of licensed premises "for the sale or storage of smuggled tobacco and alcohol". It was not clear whether the illegal tobacco found at the premises was smuggled or counterfeit but in either case the Committee decided to treat this particularly seriously.
- 17.5. Paragraph 11.27 also refers to the use of licensed premises "as the base for the organisation of criminal activity, particularly by gangs". The Committee accepted that the premises were a focus for gangs meeting in the vicinity, it did not find that the premises were used by gangs for the organisation of criminal activity. However, there was evidence of the premises being used for criminal activity, including the seizure of illicit tobacco and prescription-only medication, the significant amount of cash and the extensive cocaine residues found.

17.6. The breaches of the licence conditions relating to CCTV and the availability of the Designated Premises Supervisor were the personal responsibility of the licence holder, who could not avoid responsibility merely by saying that they were caused by members of staff. Similarly, the Licensee was responsible for ensuring that the premises were not used for unlawful purposes.

17.7. The Committee concluded that the incidents referred to above meant that the operation of the premises did not promote, and were to the detriment, of the licensing objectives. Taking these in turn:

The prevention of crime and disorder

17.8. The premises failed to promote this objective as a result of the incidents of breaches of licence including the failure to record CCTV properly and to ensure that the Designated Premises Supervisor was available.

17.9. The premises also failed to promote this objective as a result of multiple instances of illegality in the use of the premises, including the discovery of cocaine residue, and the finding of illegal tobacco products and prescription-only medication.

17.10. The licence holder failed to engage proactively with the Police in tackling issues of illegality and anti-social behaviour.

17.11. Whilst not in itself unlawful, the sale of drugs paraphernalia from the shop was not helpful in promoting this objective in a location which had clear problems with drug use and drug dealing.

Public Safety

17.12. The premises failed to promote this objective by acting as a base for a local gang to congregate. The gang was associated with illegal activities and anti-social behaviour. The incident of 30 August 2024 involving the use of machetes, and the use of the premises as an escape route, was particularly serious.

17.13. The storage of illicit tobacco and prescription-only medication also posed a risk to public safety as did the use of the premises for the consumption of illegal drugs.

Prevention of Public Nuisance

17.14. The focus of the premises as an area for congregation by a local gang contributed to public nuisance in the area, as illustrated by the CCTV footage from 30 August 2024.

17.15. The Committee also decided that the absence of pro-active engagement by the Licence Holder with the Police in tackling anti-social behaviour and illegality – in fact his admitted avoidance of engagement – was detrimental to the promotion of this activity.

Protection of Children from Harm

17.16. The premises were accessible to children and the use of the premises for illegal drug use could place children at risk.

17.17. The premises acted as a focus for the congregation of gang members in the vicinity. Some, if not all, of the gang members were young persons. The focus given by the premises to gang congregation was detrimental to this objective.

Reasons for revoking the licence

- 17.18. The Committee decided that action beyond words of advice or a warning was called for. The premises were linked to serious illegality, breach of licence conditions and anti-social behaviour. The Committee therefore considered the other options available to it. These are:
- 17.19. To modify the conditions of the licence. The Committee considered carefully the additional conditions proposed on behalf of ██████████. However, it was clear that ██████████ was in significant breach of licence conditions and had, by his own account, exercised little effective management of the premises since becoming the licence holder. The Committee therefore had no confidence that the imposition of additional licence conditions would be an effective step in ensuring the proper promotion of the licensing objectives.
- 17.20. To exclude a licensable activity from the licence. The Committee did not consider that this was a relevant option, given the limited scope of licensable activities covered by the licence.
- 17.21. To remove the designated premises supervisor. The Committee concluded that this would not address the issues that had given rise to the review. In any case, the licence holder was proposing to become the designated premises supervisor and the Committee had little confidence in him exercising a satisfactory supervisory role.
- 17.22. To suspend the licence for a period not exceeding three months. The Committee concluded that suspension would not adequately address the issues leading to the request for a review. There was nothing to suggest that suspension would be adequate in ensuring that the licensing objectives were met.
- 17.23. To revoke the licence. The Committee concluded that this was the appropriate option, given the severity of the issues raised in this review, and taking account of the statutory guidance.

18. RIGHT OF APPEAL

- 18.1. Any person who is aggrieved by the Committee's decision has the right to appeal to the Magistrates' Court. Any such appeal must be made within 21 days of the date of this notice. The Committee's decision will not come into effect until the end of the period for appealing the decision or until the conclusion of any appeal.

Hi Gill,

Just to confirm how we came into this information, we needed to further speak to these former staff members due to seizing some items from the location with trading standards that actually ended up belonging to them and they have since been ruled out of any further action. As part of our further engagement and the fact they both work at another local business on my ward and as part of the follow up they raised they were unhappy with what they had read and being blamed and wanted to provide part of side.

Thanks

I am the named-above person, and this statement relates to incidents I was witness to in my former employment at OVAL WINES under the management of EMRAH ORUC.

The persons I shall mention in this statement are:

Emrah ORUC, my former manager and owner of OVAL WINES. I know him from my time over 16 months of employment at the location. I shall refer to him as ORUC throughout my statement.

I am making this statement following the local news of the ongoing issues surrounding this premises. I initially worked there doing general day to day duties such as filling shelves with stock and serving customers. I was aware ORUC was the store owner and would cross over with ORUC doing the later shift in the store with myself working mostly in the day time.

Throughout my time there was some clear issues in regards to the legality of some of the stock we were asked to sell. That being in reference to Cigarettes – usually packs of MARLBORO, being asked to sell those for £8 per pack, PACKETS OF TOBACCO for around £20 and VIAGRA JELLIES for £5. We were asked to sell these by ORUC.

The items above, which I suspected were illegal and which was confirmed from the trading standards visit, were stashed into the bottom of other stock by ORUC. He would arrive in his work van at the rear of the store and bring the items in as well as legitimate stock and he himself would place those illegal items in their hidden locations. I am fully aware due to regular customers that this is the same stock the previous owner had been selling as it seemed to be purposely ordered in for these exact people. I do not know them other than they would always attend and ask for these items. This evidently continued throughout my substantial period of time being employed at this location.

Continuation of Statement of ...

I was shocked to read that ORUC was blaming us for this in the recent information in the media and also the other, what I can only describe as a lie about us being sacked by him. Myself and my colleague were not sacked. Following the trading standards visit, I decided I wanted nothing more to do with his store and served my 2 weeks resignation notice. I left of my own accord and seek employment elsewhere. I am offended that ORUC would even consider shouldering the blame onto us when all I did was exactly what he asked me to do every day at work.

I would sell per shift around £100 of the illegal items. As asked directly to do so by ORUC.

I was also aware that the licence holder was a MR POLLAT, however in the 16 months I never met him at any point throughout to the point.

I have no knowledge of ay drugs involvement from my time working at the store, I do not know what took place after I left work for the day.

I also want to raise an issue about the CCTV, which I never had access to and could not provide police evidence when asked, is that it clearly worked and whenever I would pass a message to ORUC he would state he would deal with it, but clearly that has not happened. Had we had the appropriate training I would of happily provided whatever footage the Police requested.

I am shocked about the way the blame seems to of been passed onto myself and this has upset me to some degree as I do not want my reputation destroyed by malicious statements. I am a young man with a whole career ahead of me and it is not right to be put in this position. As such this is my statement.

This statement is in relation to concerns surrounding the sale of alcohol on a regular basis to someone already under the influence from OVAL WINES.

The person I shall mention in my statement is [REDACTED] house mate of mine in the multi occ I reside at. He moved in APRIL 2025.

scene

From the first day he was moved in by the council it was disclosed that he was a respectable person. He was working and everything at the time. I know him as [REDACTED], and with that first lot of work money he started to buy a lot of drink. And things escalated from there, he was wiping faeces on the sink and toilets all influenced by drinking. He consumes very high alcohol percentage drinks, which he can only get at the off licence OVAL WINES.

I decided to confront the store he goes to, OVAL WINES, and stated to the shop worker the issues and they assured me they wouldn't sell him anymore alcohol. I raised my concerns for his alcoholism and made them aware as I was genuinely concerned. However this did not happen and continued and I had a bit of resistance from one member of staff when I again challenged this.

I spoke with CO-OP and MORISSONS and they stated they were already aware of him and had stopped him from coming in. Shortly after this is when the switch to OVAL WINES occurred coming home with black carrier bags which I know OVAL WINES use, then the occasional blue carrier bag they also use.

The person was around 5ft 10 not a big bloke slim build, short dark hair with little grey hair coming in and a beard well kept. I do not know his name but definitely middle aged and had authority about him as if he was the owner, he spoke with an accent as well. This person in particular was irate when I mentioned the licencing act and he said "IF HE PICKS UP A 6 PACK OF BEER IM

SELLING IT TO HIM WE ARE A SHOP". I was absolutely dumbfounded at this and walked away as this was clearly falling on deaf ears. I cannot remember the specific date of this at this time.

[REDACTED] has become volatile and aggressive and only ever when he has been and gotten alcohol from OVAL WINES. It is affecting mine and my house mates way of life especially when he staggers around the house when he has soiled himself.

I am dismayed that OVAL WINES took this stance and were clearly just looking for the quick sale. OVAL WINES is also the only off licence close by to where we live as well, that makes it feasible for the time [REDACTED] to go and come back with alcohol. They have clear licencing guidelines to honour and they clearly are not abiding by these conditions or helping people who are clearly under the influence by continuing to sell alcohol.

I have suspicions more goes on at the location due to seeing many volatile people going there like the music videos with the gangs etc.

I am raising this with you as I don't want this to continue and see this store affecting my wider community by their persistence in supplying alcohol to people who should not be served.

This is my statement in relation to my involvement of attendance to an incident that took place at OVAL WINES, STEVENAGE on TUESDAY the 9th of SEPTEMBER 2025.

On TUESDAY the 9th of SEPTMEBR 2025, I was an on-duty Police Constable, based at STEVENAGE POLICE STATION, in full uniform, donning full personal protective Police issued equipment, on mobile patrol, under call sign  and single crewed upon my time of deployment.

On TUESDAY the 9th of SEPTMEBR 2025 at approximately 17:00hrs, I had attended THE OVAL, STEVENAGE in relation to a physical altercation that had taken place. Upon my attendance, I had activated my Police issued body worn camera and started to deal with the incident.

Upon my dealings with two middle-eastern males who were believed to be involved in the physical altercation, I could see that both of them were incredibly drunk. I could tell this due to the smell of intoxicating liquor in the air, that both of their eyes were glazed, both were slurring their words and unsteady on their feet. These are all common and consistent signs of someone who is heavily intoxicated. When speaking to one of the middle-eastern males, I could see that they were in possession of a plastic black bag, a bag that no other shop other than OVAL WINES supply in the vicinity. This bag was filled with a bottle of whiskey (unknown what brand) and 8% black cans of cider. These items again can only be purchased from OVAL WINES. This is due to the fact that I have previously attended the other stores in the area which all do not stock this specific type of alcohol.

Whilst dealing with the job, there was a white male in his 50s who also appeared to be heavily intoxicated on the same can of cider that the OVAL WINES provide. His behaviour

was that of obstructive and rude, to the point where I had to tell him to leave the area as he was obstructing me from carrying out my lawful duties and at one point, considered arresting him for the offence.

Eventually, I had escorted the two middle-eastern males out of the area, however the white male was still following myself. I believe that he was doing this in order to be obstructive and cause issues in the area. After the other males were escorted out, the drunk white male had left the scene.

All alcohol that was consumed by everyone who was involved in this job was purchased at OVAL WINES. This is because this alcohol cannot be found in the only other two shops that are licenced to sell alcohol in the area (Co-Op and Morrisons).

I shall exhibit my footage under the following;
