Environment & Economy Select Committee	
Scrutiny Review Title:	Post Office services in Stevenage
Background issues to review – rationale for scrutinising this issue:	Members raised the issue of reviewing the Post Office service offer in Stevenage when the committee agreed items for the work programme in March 2019.
Is this issue covered by the Future Town Future Council Programme?	(i) <u>Co-operative Neighbourhood Management</u> - "Work with our communities to improve our neighbourhoods" – "Better understand our communities' needs and priorities" to "Work with our residents to design and deliver services" This priority is not directly linked to an external service provider like the post office, but there is an indirect link regarding understanding our communities needs and more broadly acting as community advocates to safeguard an important community service
Is this issue one that raises interest with the public via complaints or Members' surgeries or with Officers?:	The status of local Post Offices is not a matter of direct control for the Council. However, when the Post Office moved from the Westgate Shopping Centre to WH Smith shop this raised concern with local residents. In a similar way the town centre regeneration of Queensway could have an impact on access to the store and post office.
Focus of the review: (State what the review focus will be)	The one off meeting should establish how well served the town is currently with post offices? What the pressures are on maintaining the current number of post offices including the main and sub-post offices is the neighbourhood centres? Establish with the post office providers how well used their facilities are? To understand ways that local people can be encouraged to use their post offices to safeguard their future provision. Attempt to find out what users think about the current service?
Timing issues:	Officers will advise at the meeting if there are any timing issues to consider. The review will have

Are there any timing constraints to when the review can be carried out?	to fit in with the timing of the other Select Committee review work programme items.
