4 PUBLIC CONSULTATION ON REVISED SUPPLEMENTARY PLANNING DOCUMENTS AND PROPOSED REVOCATION OF THE IMPACT OF DEVELOPMENT ON BIODIVERSITY SUPPLEMENTARY PLANNING DOCUMENT

The Cabinet was presented with a report proposing changes to three of the four Council's existing Supplementary Planning Documents (SPD's); Parking and Sustainable Transport, Developer Contributions and Design Guidance.

Members were advised that the fourth, Biodiversity SPD was being revoked as recent changes in national legislation and guidance had effectively replaced it. Members agreed that in relation to Biodiversity, Stevenage had been ahead of the previous Government through the Council's efforts to develop and maintain a local Biodiversity Action Plan.

It was noted that the public consultation on the three revised SPD's would commence on 14 October for a minimum period of 4 weeks.

It was **RESOLVED:**

1. That the content of the revised Stevenage Supplementary Planning Documents be noted.
2. That consultation on three revised Supplementary Planning Documents, from 14 October 2024 be approved.
3. That the revocation of The Impact of Development on Biodiversity Supplementary Planning Document be approved.
4. That delegated powers be granted to the Assistant Director: Planning and Regulation, following consultation with the Portfolio Holder for Environment and Performance, to make minor amendments as necessary in the final preparation of the SPD documents prior to public consultation.

5. That the comments of the Planning & Development Committee will be sought and fed back to Cabinet.

Reason for Decision: As contained in the report.

Other Options considered: As contained in the report.

5 COMMUNITY INFRASTRUCTURE LEVY (CIL): PRELIMINARY DRAFT CHARGING SCHEDULE - PUBLIC CONSULTATION

The Cabinet was presented with a report proposing to increase CIL rates for residential development aligning them closely to the Hertfordshire average as well as proposing a new rate for industrial use.

Members were advised that the increases could unlock £14m to fund vital local infrastructure over the next five years. Public consultation would commence on 14 October 2024 for a minimum period of 4 weeks and the responses received would be reported back to a future meeting of Cabinet.

It was **RESOLVED:**

1. That the updated evidence base for the Community Infrastructure Levy Review be approved.
2. That the draft Preliminary Draft Charging Schedule (attached as Appendix A) be agreed for public consultation.
3. That the public consultation on the Preliminary Draft Charging Schedule, for a minimum period of four weeks commencing 14 October 2024 be approved.
4. That delegated powers be granted to the Assistant Director; Planning and Regulation, in consultation with the Portfolio Holder for Environment and Performance, to make such amendments as are necessary in the final preparation of the Preliminary Draft Charging Schedule.
5. That the comments of the Planning & Development Committee will be sought and fed back to the Cabinet.

Reason for Decision: As contained in the report.
Other Options considered: As contained in the report.

6 CLIMATE CHANGE - ANNUAL UPDATE - OCTOBER 2024

The Cabinet was presented with a report and received a presentation from the Head of Climate Action which provided an overview of the measures the Council was implementing to address climate change. Specifically the report detailed the most significant climate action efforts undertaken across the themes identified in the 2020 Climate Change Strategy.

The Portfolio Holder for Environment and performance thanked his Cabinet colleagues for their collaborative working and in particular Councillor Barr, Portfolio Holder for Co-operative Council and Neighbourhoods for her work on the Climate Change Community Fund (CCCF) Projects. Members recognised the importance of the Green Space Volunteers who could be instrumental in running CCCF projects and that the community engagement model followed by the Friends of Hampson Park could be adopted elsewhere in the Town.

Members were pleased to note the launch of the Stevenage Green Business Grant Scheme which assisted local businesses in adopting greener solutions. The report also highlighted a number of successes including the Beryl Bike Scheme, reducing emissions from the Council's waste and recycling fleet and decarbonisation projects in the Council's Housing Stock.

Members noted that Stevenage was relatively unique amongst District and Borough Councils in maintaining a Biodiversity Action Plan.

The Leader of the Council reported that he had been holding regular meetings with the Stevenage MP Kevin Bonavia who had given reassurance that he would be using his power and influence with Government to support delivery against this key local and national agenda item.

Members thanked the Head of Climate Action for his thorough and informative report and presentation.

It was **RESOLVED:**

1. That the progress in delivering the Stevenage Climate Change Strategy and action plan across the eight strategic areas, and delegating powers to the Portfolio Holder to make alterations following further engagement with other members be acknowledged.
2. That the Stevenage Biodiversity Action Plan 2024-2028, attached as Appendix 3, with a one-page summary in Appendix 4 and a neighbourhood breakdown in Appendix 5 be approved.
3. That the release of the Climate Change Action Plan tracker available at Stevenage Climate Action Plan (for further details, see 5.17 in Appendix 1) be noted.
4. That the updated national climate action context, especially the new UK Government’s climate priorities (further details in “Level 2 – UK National Climate Action” in **Appendix 1**), and SBC’s collaborative regional and countywide work be recognised.
5. That the launch of the Stevenage Green Business Grant Scheme to help local businesses implement greener solutions to reduce their carbon footprint (details in **Appendix 1**, “Level 6 – Stevenage Level” under “Businesses”) be noted.
6. That the implementation of the “Pathway 3 – People & Processes”, focusing on ways of working and service-related emissions, particularly the establishment of the Staff Climate Champions Group (details in **Appendix 1**, “Level 6 – Stevenage Level” under “People”) be noted.

Reason for Decision: As contained in the report.

Other Options considered: As contained in the report.
