I've been delighted with the variety of events that I've been invited to since 16th October. Many have worked well with this year's theme of Come Together – art including music; sport and active recreation; and social inclusion.

Lots of engagements are repeat events that have been in the calendar for decades. I'm delighted to see many new often more diverse activities are getting onto the list.

Reflecting the Come Together theme I have adopted a slightly different approach this year.

One way or another, directly or with partners, I am working my way round different kinds of music.

In the run up to Christmas I've enjoyed several concerts by some of the choirs in our town. I did promise to mention that the Stevenage Men's Choir, in particular but not exclusively, are very keen to recruit some new singers.

Coming up soon on Saturday 8th February we have the showing of a film showing Stevenage as it was in 1967; a Ceilidh Dance on Saturday 1st March; and the Arts Guild Musical Evening on Monday 31st March.

Our inter faith event will be at 2.30p.m. on Sunday 9th March.

I've been pleased to be able to support many sport and active recreation activities with the Herts Sports Partnership and others. I'll be looking for sponsorship. I've recently earned myself a "Good For Age" place in the London Marathon on 27th April – naturally running for the Mayor's charities!

JIM BROWN

This year's Mayor's Charities and good causes. Herts Sports Partnership (Come Together with Sport and Active Recreation); Stevenage Arts Guild (Come Together with Arts, Music and Culture) and People for People (social inclusion).

(DM = Deputy Mayor).
