	Development Management	Uplift in pre-application fees across a range of application types. (Approved in October fees and Charges report but income not yet calculated)		Customers who use the pre-application service will be affected by fee increases. More information can be found in the 2026/27 Fees and Charges report to the October Cabinet Appendix A concerning the fees and charges	£8,000	£0	£8,000	£0
2026/S5	Regeneration	Partners projects advice budget reduction.		The saving relates to consultancy budgets for non-priority projects. Key programmes remain unaffected.	£5,000	£0	£5,000	£0
2026/\$6	Regeneration	Delete vacant Regeneration post.		Changes within the team staffing structure and completion of projects will minimise the impacts of removing this vacant post.	£46,780	£0	£46,780	£0
2026/S7	ICT	Depending on the outcome of a proof of the concepts over the next nine months, replacing the virtual desktop solution with M365 will result in further savings of £40k in 2028/29.		While not directly affecting external service users, improved staff productivity and system reliability may enhance the quality and responsiveness of public-facing services	£0	£0	£0	£0
2026/S8	Web Team	Banner adverts from blue chip companies on intranet then (website to generate additional income subject to Member approval)		None, as residents can reject cookies and will not see national advertising. Further information on this option is provided in Appendix C	£4,000	£0	£4,000	£0
2026/S9	Customer Services	A management saving is proposed within the Customer Service Centre through the deletion of one management role. No redundancies are expected, as temporary arrangements are currently in place.		No significant impact anticipated, the change will be managed within existing processes	£12,150	£21,600	£16,200	£28,800
2026/S10	Web Team	To maximise the use of Microsoft 365, plan is to move the Intranet platform from the current supplier to M365.	£15,300	None	£0	£0	£9,180	£6,120
	Recycling	Charging new developments for waste and recycling receptacles (new income stream) Officers have undertaken a comprehensive review of all associated costs involved in the process, from the initial request through to site inspection and final delivery. As a result, a revised pricing model has been developed to ensure full cost recovery.		This will help to recover the costs of new bins provided and replaced for new developments. Although the projected additional income from bin deliveries will not materialise until 2027/28 onwards, approval is sought at this stage to enable officers to begin issuing charging packs to external developers from this financial year (2025/26). Early approval ensures timely implementation of the revised cost recovery model and allows the service to operate transparently and consistently with developers	£0	£0	£8,100	£0
2026/S13	Third party tipping	New charges resulting in additional income/covering cost including Gate fee, Missed appointment and Cancelled appointment		These charges will help to optimise the service by reducing the number / frequency of lost booking income.	£5,800	£0	£5,800	£0
