Environmental Health, being a nominated Responsible Authority under the Licensing Act 2003, wish to make an objection to this Temporary Event Notice (TEN) pursuant of Section 104 of the Licensing Act 2003.

Our objection(s) are made in consideration to the below licensing objectives, as we believe the proposed event will undermine the cited objective(s):

#### Licensing Objections

<b><i>Which of the four licensing Objectives does your representation relate to?</i></b>	<b><i>Yes Or No</i></b>	<b><i>Nature of objection Please use continuation sheet as required</i></b>
<b>To prevent crime and disorder</b>	No	N/A
<b>Public safety</b>	Yes	The proposed event is to take place at venue that is already subject to regulatory control via a Premises Licence (reference SBCL0076). As I understand it, this TEN disengages the conditions contained within the Operating Schedule of that licence and therefore the controls necessary to safeguard persons on the premises as regards fire safety will not exist – this clearly undermines the public safety licensing objective.
<b>To prevent public nuisance</b>	Yes	As this TEN disengages the conditions contained within the Operating Schedule of licence SBCL0076, the controls necessary to safeguard local residents from public nuisance(s) will not exist at a time when they are likely to be most needed, i.e. late at night. The holder of the licence, a different entity to the applicant of this TEN, recently submitted a minor variation application to tighten a number of these controls relating to noise and therefore their disapplication for this event would undermine this licence objective.
<b>To protect children from harm</b>	No	N/A

Should you require clarification on any matter being made, please contact the named officer to discuss further.
